The revised Board of Governors pages on the Camosun College website have been launched. The new site includes photographs of the Board members. The Board lunch and planning session on June 3 at the Uplands Golf Club was well attended. The Board members discussed the Board's goals and priorities for the upcoming year. Lynda acknowledged Wayne Dalby's generosity for donating the venue. Lynda, Nancy Bourey and Marilyn Pattison met today to incorporate the feedback received into the goals and priorities document.

Early in May Lynda and Kathryn Laurin met with the two new Board members Janice Simcoe (CCFA) who will replace Nancy Bourey, and Brian Horncastle (CUPE) who will replace Keith Todd on August 1, 2010. The June 10 Joint Board and Foundation Board meeting was well attended and many ideas were generated. The two Boards will meet annually.

Christopher Gillespie will represent the Board at the June 17 Community Support and Education Assistant (CSEA) Awards, and Margaret Lucas will address the Community, Family & Child Studies Department (CFCS) Awards on June 24. The College-wide graduation ceremony will take place in two separate morning and afternoon sessions on Friday, June 18. Lynda will speak in the morning, and Kyman Chan will speak in the afternoon. 2. President's Report

President Kathryn Laurin reported the enrolments from the year 2009/10 grew by 540 FTES in Advanced Education and Labour Market Development (ALMD) programs, and by 694 FTES overall. The total FTEs were 10,432 which is the highest ever recorded at Camosun. Utilisation in the ALMD programs was 101%, and was 99% on the trade programs side.

Vice President Baldev Pooni is heading searches for two Deans. The first search is to replace Randy Genereux, Dean of the School of Arts and Science, who is leaving in August. The second

search is to replace Tom Roemer, former Dean of the School of Trades and Technology. Tom accepted the Vice President Strategic Planning position on June 1, 2010.

The Senior Management Team (SMT) has been renamed Senior Leadership Council (SLC), and College Executive (CE) has been renamed College Executive Team (CET).

Kathryn travelled to the Association of Canadian Community Colleges (ACCC) annual conference in Niagara Falls in early June. Baldev Pooni and Keith Todd also attended. The theme of the conference was "Power the Future – Transforming Communities through Learning". The conference provided excellent networking opportunities in addition to the concurrent sessions.

In early May, consultant Jim Black of SEM Works conducted a three-day strategic audit on the enrolment management processes at Camosun College. The final report is now complete and the highlights will be shared with the Board in September.

The search for the new CEO for the Pacific Institute for Sport Excellence (PISE) is close to completion. Three weeks ago, the Presidents of Royal Roads University, University of Victoria, Vancouver Island University, North Island College, and Camosun College signed an MOU to collaborate and work together where appropriate. Deputy Minister Philip Steenkamp was in attendance at the signing.

On June 4, Kathryn met Assistant Deputy Minister Mark Zacharias for lunch followed by a tour of PISE with Tim Walzak. In May, Kathryn met with Aboriginal Relations and Reconciliation Minister George Abbott. Kathryn and Peter Lockie met Saanich Mayor Frank Leonard to discuss capital expansion at the Interurban Campus. Kathryn was keynote speaker at the Arts & Science Spring Exchange, and facilitated the Camosun College Chairs' retreat.

Kathryn has completed her first academic year, and acknowledged the large amount that has been accomplished in the last ten months. She thanked the College Executive Team and the Board of Governors for their extraordinary support.

3. Foundation

While he voted in favour of the Transportation and Parking Management Plan (Board Minutes: June 8, 2009), he was not totally aware of the details of the plan and the impact of its implementation. Keith noted that he is in favour of car pooling and the use of public transit. He is neither in favour of raising parking fees nor of moving employee parking lots farther away from their buildings.
