<p><b>F. REPORTS</b></p>	
<p><b>1. Education Council Chair</b></p> <p>Tim Ayers reported on the status of the application to DQAB for exempt status including the visit that occurred on December 3.</p> <p>Richard Stride clarified for EdCo that the purpose of exempt status is to provide an expedited review process for institutions that have demonstrated a history of successfully offering degree programs at a given level for at least 10 years. The expedited status would allow an institution submitting a degree proposal to avoid an often lengthy and costly review process by the Degree Quality Assessment Board and have proposals forwarded directly to the Minister for review and approval.</p> <p>Richard added that Camosun is working its way through the exempt status review process in order to obtain the same rights as other mature post-secondary institutions in the BC post-secondary system.</p>	Tim Ayers/ Richard Stride
<p><b>2. VP Education</b></p> <p>John Borass recommended the cancellation of the <a href="#">Associate Degree of Science (Psychology) (3254)</a> program. The proposal will be going forward to the College Board of Governors for approval.</p>	John Borass
<p><b>Moved by:</b> Debbie Hlady  <b>Seconded by:</b> Bijan Ahmadi  <b>Motion Carried</b></p>	
<p><b>3. Board Member</b></p> <p>Brenda Bain reported that the board met on December 3 and announced that Stephen Fletcher’s term has ended and that Dr. Monty Bryant has been appointed to the Camosun College Board of Governors. Brenda reported that the board approved the revision to the E-2.1 Admissions policy, which now includes revised IELTS and TOEFL scores for international student admission. This change will enhance the academic success of students using IELTS and TOEFL scores for admission to academic programs.</p>	Brenda McBain

ITEM	PRESENTER
<b>G. COMMITTEE REPORTS</b>	
<p><b>1. Education Council Policy and Standards Committee</b></p> <p>Pete Moroney announced that the Policy and Standards Committee met on December 10. The committee reviewed the draft charter for the Educational Approvals Renewal project and identified EdCo as a stakeholder. Pete also reported on the work currently underway to develop academic and non-academic conduct policies and procedures and announced that Eva Silden from the School of Arts and Science has been seconded to work with the VP Education office and provides a faculty lens on these policies with her background in criminal justice as well as considering more progressive notions on how we develop and implement the associated procedures. Pete added that they will be looking for student input into the policies and procedures as they are a major stakeholder. The next Policy and Standards committee meeting is on January 14.</p>	<b>Peter Moroney</b>
