<b>F.</b>	<b>COMMITTEE REPORTS</b>	
<b>1.</b>	<b>Education Council Policy and Standards Committee</b>	<b>Peter Moroney</b>
Peter Moroney reported that the Policy and Standards committee met on April 29, 2019. The committee debriefed the Grading Policy approved at the last EdCo meeting and discussed the next steps regarding the remaining required changes including required consultation. Peter also reported that the Policy and Standards Committee also reviewed a draft of the Educational Quality policy and discussed the issues around the annual review, the depth required for that review, and development of an accountability exercise following the review. Peter announced that the next Policy and Standards committee meeting will be May 27, 2019.		

**G. PRESENTATION AND DISCUSSION**

---

**1. Educational Quality**

Peter Moroney presented a draft of the Education Quality policy. This policy articulates the College’s commitment to program quality assurance and continuous improvement of the student learning experience and outcomes. Consultation has occurred with the Quality Assurance Process Audit (QAPA) steering committee, Educational Leadership Team (ELT), and two Town hall meetings. Several common themes have emerged including equity, keeping the policy at a high level and not overly complex, defining educational quality and quality assurance, and issues around the annual review. Peter described all of the items in the policy and explained how they addressed the feedback received to date. The committee discussed and provided additional feedback. The policy will come back to EdCo at a later date.

---

**2. Policy Framework**

Peter Moroney presented a draft policy framework. Revisions proposed to address policy hierarchy, consistency in language, terminology, clarity with approval bodies. The committee discussed and provided additional feedback. It was noted that much work will need to be done to review the policies on the website, and possibly reclassify as a policy-informed “standard,” to ensure that our policies adhere to the policy framework. A further challenge will be to redesign the policy website so that the hierarchy is reflected appropriately. Peter thanked Sherri for thoroughly reviewing the proposed policy framework. The policy will come back to EdCo at a later date.
