COURSE GUIDELINES & EXPECTATIONS

The expectation for this course is that all work submitted by students will be generated by the students themselves, working individually. Students should not have another person/entity do the writing of any substantive portion of an assignment for them, which includes hiring a person or a company to write assignments and using artificial intelligence tools like ChatGPT.

SCHOOL OR DEPARTMENTAL INFORMATION

Deadlines and exams: You must submit your assignments on the due date or as announced. A grade of zero will be assigned to all late submissions. There are no additional assignments available or make-up exams of any kind if you performed poorly on an assignment, midterm, or final exam.

EXAM DATES WILL NOT BE RESCHEDULED: Non-attendance on scheduled exam dates results in a zero grade. Exceptions will be made only for medical reasons or extenuating circumstances that must be submitted and then accepted by the instructor. Please advise your instructor promptly and if possible before the absence.

Program events: Want to know more about events happening in the Accounting and Finance department, including recruiting and networking events? Check out <http://camosun.ca/cpa2b> for current events.
