COURSE GUIDELINES & EXPECTATIONS

Attendance: Camosun College requires mandatory attendance for the first class meeting of each course. If you do not attend, and do not provide your instructor with a reasonable explanation in advance, you will be removed from the course and the space offered to the next waitlisted student. In a class being taught through an asynchronous format, students must log into the D2L course page within the first three days of the semester. Attendance will then be determined by monitoring your login record on D2L.

Course Format: The evening version of Camosun courses are shorter in duration than the daytime classes. Because of this, evening classes are comprised of both synchronous and asynchronous content to compensate for the reduced time spent in class. The synchronous content includes two hours and fifty minutes of instruction per week and fifty minutes of asynchronous material. Students are therefore expected to access the asynchronously resources that are made available on the D2L course site and through the recommendations of the instructor to ensure that equivalent material is covered between the evening and day sections of this class.

Academic Integrity: All submitted work in this course for assessment is to be your own work. Please see the College-Wide Academic Integrity policy below regarding academic expectations and implications. Examinations are closed-book and held at the time and date scheduled.
