## COURSE GUIDELINES & EXPECTATIONS

(a) **The D2L website** contains course materials including the text-book solutions manual, course notes,

quizzes, video demonstrations and assignments. As well, additional materials and updates are provided throughout the course so you should check D2L frequently. Go to the D2L website, click on the following link: <http://online.camosun.ca/>

- (b) **Practice Set – accounting simulation** - Work on the practice set will be done both in class and outside of class. Completion of the Practice Set is core to the understanding of financial accounting and grading will be based on participation and reflection activities. Having access to a computer outside of class time will be necessary to ensure your ability to complete this work. Please see above section on required materials for more information. Please see me if clarification is required for this, or any other student assessment policy.
- (c) **In our Classroom, you are expected to:**
- Produce your own work in a readable, orderly, and timely manner.
  - Apply professional standards of behaviour with respect to attendance, punctuality, time management, positive attitude, and respect for other individuals.
