EVALUATION OF LEARNING

DESCRIPTION	WEIGHTING
Formative assessments: D2L module quizzes, homework assignments, engagement activities (see note 1 below)	20%
Learning portfolio (detailed in separate document)	5%
Midterm	35%
Final Exam (cumulative)	40%
	TOTAL
	100%

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the [Grade Review and Appeals](http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf) policy for more information. <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf>

(1) Formative assessments – Formative assessments are designed as learning tools and will be assessed based on *completion* of the relevant items (assignments/quizzes/activities), rather than on your *performance*. Statistics will be used at the end of the term to determine the minimum number of formative assessments you have completed to earn full marks: D2L module quizzes, homework assignments, engagement activities. Each activity is equally weighted. To earn the maximum grade, you must *complete* 80% of the total assigned items. If you complete less than 80% of the tasks, your mark will be prorated based on how many you completed. Discussion of expectations around what constitutes completeness will be held in class.

COURSE GUIDELINES & EXPECTATIONS

All submitted work in this course for assessment is to be your own work. Please see the College-Wide Academic Integrity policy below regarding academic expectations and implications. Examinations are closed-book and held at the time and date scheduled. Please see the School of Business policy below regarding missed examinations and assignments.

Please be respectful and turn your cell phone off in the classroom. Cell phones should be turned off and not visible. They are distracting to you, those around you and to the instructor. If you wish to use, please leave the classroom. If your cell phone makes any “noise” or is visible during class time you may be asked to leave the room and not allowed to return until the next class.
