## COURSE GUIDELINES & EXPECTATIONS

---

### Homework assignments

Self-assessed homework assignments make up a significant portion of the course work. Homework assignments must be completed individually and must represent a student's own work.

Once completed, homework assignments must be uploaded to the relevant D2L assignment dropbox called 'assignment X' by 11:55 pm PST on the stated deadline. At one minute past the stated deadline, the solution to the homework assignment will be released in a second assignment dropbox called 'revised assignment X'.

Students will download the solution and correct their work, making revisions to their original submission in blue bold text.

**Important: the solution will only release if students have uploaded their assignment to the 'assignment X' D2L dropbox.**

In addition to the solution, in most units students will find a series of debrief questions in the solution file. These debrief questions should be copied from the solution file and pasted into the original submission. The debrief questions must be answered in blue bold text. Students are cautioned not to ask questions of the instructor in their original or revised submissions. All questions for the instructor should be written on the discussion board or emailed to ensure a timely response.

There is no word count or page limit for homework assignments.

Homework assignment files must be submitted in Word (and Excel where applicable). PDF files will not be accepted.

Use the following naming convention for your original submission: last name\_ first name\_ assignmentX (e.g. dickson\_jennifer\_assignment1).

Use the following naming convention for your revised submission: last name\_first name\_assignmentX\_revised (e.g. dickson\_jennifer\_assignment1\_revised).

Homework marks will be awarded for:

- Reasonable attempt on the homework assignment
- Correction of work in blue bold font using posted solution
- Reasonable response to debrief questions in blue bold font

## Quizzes

A short quiz consisting of between 10 and 25 multiple choice questions will be given for each unit. The purpose of the quizzes is to ensure that students study the course content throughout the course

The quizzes will be written in D2L and the results will be made available to students immediately after submission.

## Policy on Student Assessment

The course consists of homework assignments, quizzes, a midterm exam and a final exam. Quizzes and exams are written electronically in D2L; there are no exceptions. **Students who have a medical accommodation to handwrite their quizzes and/or must make the necessary arrangements with the Centre for Accessible Learning (CAL). CAL students who do not have a medical accommodation to handwrite will complete their quizzes and/or exams in D2L.**

Non-attendance on a scheduled quiz/exam date results in a nil grade unless evidenced by a medical certificate for the midterm exam. With a medical certificate, the midterm percentage will be included in the final exam. Exams are closed book. The only material allowed in an exam is a calculator, pen, pencil, highlighter, and eraser.

Exam rules will be posted to the D2L site closer to the exam dates.

There are no make-up assignments, quizzes or exams offered to improve a course grade.

**Plagiarism and any other issues of academic dishonesty will result in disciplinary consequences as indicated in the College's Student Conduct Policy (see link below).**

Finally, please recall that as a Camosun Business Student, you are expected to:

- Produce your own work in a readable, orderly, and timely manner.
- Apply professional standards of behaviour with respect to attendance, punctuality, time management, positive attitude, and respect for other individuals.
- Conduct yourself as outlined in the Student Conduct section of the Camosun College Calendar.

**Deadlines and exams.** You must submit your assignments on the due date or as announced. A grade of zero will be assigned to late submissions. There are no additional assignments or make-up exams of any kind if you performed poorly on an assignment, midterm or final exam.

- a) **EXAM DATES WILL NOT BE RESCHEDULED.** Non-attendance on scheduled exam dates results in a zero grade. Exceptions will be made only for medical reasons or extenuating circumstances that must be submitted and then accepted by the instructor. Please advise your instructor promptly.
- b) **The midterm and final exam are both planned for in-person at Camosun College Interurban Campus for all those living in Southern Vancouver Island. If you live in a distance location, please contact the instructor before September 30th to begin discussing alternate arrangements for your exam.**
- c) Students registered through the Centre for Accessible Learning (CAL) should discuss timelines with their instructors at the beginning of each semester.
- d) Medical notes must be dated, signed, and be written on letterhead or prescription paper imprinted with the physician's name and address. Notes are accepted from Physician (GP or medical specialist), Nurse Practitioner, Psychiatrist, **Psychologist, Counsellor** and Aboriginal Elder. Electronic notes will not be accepted. Medical documentation must be received as soon as reasonably possible.
