Class / Placement Participation & Expectations of Conduct

Students practice skills on each other and athletes at their placement sites. Learning what the human body feels like in a healthy condition is important for recognizing unhealthy or injured states. Students will be palpating / practicing skills on other students / athletes on a regular basis. Students must refrain from any inappropriate touching. Students with concerns are to speak to the instructor prior to the beginning of the course or as it arises during the semester. There can be no exception to this participation.

Students will maintain optimum levels of safe behavior (personal hygiene, cleaning of shared equipment, etc.) with a minimization of potential for disease transmission.

Students must come appropriately dressed to allow for hands on application / demonstration of assessment / taping / wrapping techniques.

Students that do not come prepared to actively participate (appropriate dress, etc.) in labs may be asked to leave.

It is the student's responsibility to thoroughly read and abide by the codes of behavior, ethics, and conduct laid out in the following Camosun College policies and documents. It is also the student's responsibility to be aware of all the requirements and expectations found in these resources.

1. Placement Handbook
2. Placement Contract
3. Student Conduct Policy

It is the student's responsibility to ensure placement hours are being collected with the designated time frame of 14 weeks. If there is a problem with acquiring the required hours, please contact the instructor immediately. If the instructor does not hear from the student, it is assumed that the required hours will be achieved at the end of the 14 weeks. ***Students wishing to defer the collection of their placement hours to the summer semester must submit this request by January 16, 2023.***

It is the student's responsibility to record and keep track of all placement hours. Hours are to be submitted with the monthly reflections.

Students will have a minimum of **2** sites by the **Placement Supervisor** – prior to the Midterm and Final Placement Supervisor Evaluation deadlines. Student's are responsible for scheduling these visits with the Placement Supervisor with sufficient time to receive evaluation reports prior to submission deadlines.

Student's are responsible for scheduling meetings with their **Placement Preceptor** with sufficient time to receive evaluation reports prior to submission deadlines.

Attendance

Research shows a strong correlation with class attendance and academic success. Given the practical nature of this course, and the need to understand the theory utilized during the labs, attendance at lectures is strongly encouraged.

For any of the below, it is required that students contact the instructor.

An excused absence includes:

- a) Medical certificate
- b) Intercollegiate trip with supporting documentation.
- c) Permission of instructor prior to absence.
- d) Compassionate reasons.

“Make up” assignments and / or exams will be different than the original. All other reasons are unexcused and will not be accommodated for. Students will not receive the associated marks. Students are to be present for the scheduled exam and assignment due dates.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
