COURSE GUIDELINES & EXPECTATIONS

ASSIGNMENTS

The School of Business uses APA style for formatting assignments and citing references. Proper citations and formatting using APA style will be required. See current Camosun College Library APA Citation Style Guide (7th edition) available at: <https://camosun.libguides.com/apa7>

Where required by your instructor, submit all assignments into the D2L assignments by your last name. In-text citations for quotes, paraphrasing, and references must be consistent with APA standards. Grammar, spelling, style and APA formatting, citations and referencing will be assessed in your mark. All submitted work must be properly referenced to sources.

Unless otherwise specified, you are to submit your own work. Any work collaborated on (unless permitted by the course) will be considered in violation of the college's Academic Integrity policy. See Camosun College (2021) [Academic Integrity Policy](#)

Instructor Course Policies.

a) Team Project Assignment. Teamwork in a key learning outcome for this course. The following policies are intended to promote team fairness and success.

- I. The instructor can remove students from a team for non-performance or failure to meet the agreements laid out in their team charter at their discretion. While every effort is made to ensure fairness by speaking to students before removing them from a team, students who do not respond to instructor requests for such a meeting within 48 hours will be removed without a consultation.
- II. Students who are removed from their team will lose their professional development score and will be required to do a make-up assignment of the equivalent grade value at the discretion of the instructor.
- III. Students who do not complete either the midpoint and/or final ITP Metrics Peer Evaluation(s) by the posted deadlines will lose 1% each of their professional practice score because of the inconvenience this causes the instructor and team.

b) Grades

- I. Students are responsible for checking their grades for accuracy and completeness within seven days of release (ONE day for final grades). Any discrepancies, questions, or requests for re-assessment must be brought to the instructor during this time frame. Assignment reassessments and grade changes beyond these time frames are at the discretion of the instructor.
- II. Students who request unearned grades (e.g., unwarranted grade adjustments to boost their score) will lose 1% of their course grade (deducted from professionalism score).

c) Communication

- I. Students must check D2L email at least once every two days and respond to instructor emails within two days.
- II. Students must subscribe to notifications for the Course Home Page, so they receive important announcements and updates.

SCHOOL OR DEPARTMENTAL INFORMATION

DEADLINES and EXAMS

You must submit your assignments by the due date or as announced. A grade of zero will be assigned to late submissions. There are no additional assignments or make-up exams of any kind if you performed poorly on an assignment, midterm, or final exam.

EXAM DATES WILL NOT BE RESCHEDULED. Non-attendance on scheduled exam dates will result in a zero grade. All exams must be written at the scheduled times with the exception of students requiring an accommodation by CAL (the [Centre for Accessible Learning](#)). It is understood that emergency circumstances do occur (e.g. severe illness or family emergency); for such circumstances accommodation may be granted at the discretion of the instructor, provided the student:

- a) notifies the instructor in advance of the exam (not after), and
- b) provides documented evidence of the circumstance (e.g. medical certificate).

In most cases of an excused absence for an exam, an alternate exam will be scheduled for the student at the end of term.

Medical notes must be dated, signed, and be written on letterhead or prescription paper imprinted with the physician's name and address. Notes are accepted from Physician (GP or medical specialist), Nurse Practitioner, Psychiatrist, Psychologist, Counsellor and Aboriginal Elder.

Students registered through the [Centre for Accessible Learning](#) (CAL) should discuss timelines with their instructors at the beginning of each semester.

Do not make travel plans until the final exam schedules are finalized and posted. Please ask any family members who might make travel plans on your behalf to consult you before booking tickets. Travel plans are not an acceptable reason to miss an exam.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
