## COURSE GUIDELINES & EXPECTATIONS

**Generative AI.** This course was not designed for use with generative artificial intelligence (Gen-AI) tools, e.g. ChatGPT, Quillbot, etc. Use of Gen-AI tools may hinder your learning. As such, **using Gen-AI tools in this course is not allowed unless explicit permission is provided in advance.**

Note that spelling, grammar, and overall formatting (things that AI does really well) constitute only a small portion of your grade on each assignment. Tools such as spelling and grammar check features in MS Word should be sufficient to ensure your spelling and grammar are of sufficient clarity. If you would like additional support with writing, please consider using the services available in the [Writing Centre](#). If you still believe that a specific Gen-AI tool would be helpful to support your learning in this course, please talk to an instructor first.

**Assignment formatting.** The School of Business uses **APA style** for formatting assignments and citing references. Proper citations and formatting using APA style will be required. See Camosun College (2021) Library Citation Guides retrieved from: <http://camosun.ca.libguides.com/apa7>.

- Where required by your instructor, submit all assignments into the D2L assignments by your last name.
- In text citations for quotes, paraphrasing, and references must be consistent with APA standards.
- Grammar, spelling, style and APA formatting, citations and referencing will be assessed in your mark.
- All submitted work must be properly referenced to sources where required by your instructor.
- Unless otherwise specified, you are to submit your own work; any work collaborated (unless permitted by the course) will be considered in violation of the college's Academic Integrity policy. See Camosun College (2021) [Academic Integrity Policy](#)

**Deadlines and exams.** You must submit your assignments on the due date or as announced. A grade of zero will be assigned to late submissions. There are no additional assignments or make-up exams of any kind if you performed poorly on an assignment, midterm or final exam.

- a) **EXAM DATES WILL NOT BE RESCHEDULED.** Non-attendance on scheduled exam dates results in a zero grade. Exceptions will be made only for medical reasons or extenuating circumstances that must be submitted and then accepted by the instructor. Please advise your instructor promptly.
- b) Students registered through the [Centre for Accessible Learning \(CAL\)](#) should discuss timelines with their instructors at the beginning of each semester.
- c) Valid medical documentation must be received as soon as reasonably possible if an assignment, presentation or exam is missed.
