CALENDAR DESCRIPTION

Students learn to communicate clearly in the form of hand sketches, spreadsheets and computer-aided drafting (CAD) software in order to accurately present technical information to both technical and non-technical audiences. CAD skills include: drawing simple geometric shapes; using layers; applying annotation; creating and inserting blocks; and preparing layouts.

PREREQUISITE(S):

- C in Pre-calculus 11
- C in MATH 073
- C in MATH 077
- C in MATH 137
- C in MATH 139

CO-REQUISITE(S): None

EXCLUSION(S): None

COURSE LEARNING OUTCOMES / OBJECTIVES

- Use spreadsheet software to perform calculations and analyse technical information.
- Prepare consistently-formatted tables and graphs that can be easily read both digitally and in print.
- Represent 3D objects using various methods of projection.
- Create clear and neat hand sketches of simple geometric objects.
- Create, edit and apply basic CAD objects such as: layers, simple blocks, text, dimensions, hatching, layouts to accurately draw and edit simple geometric shapes.
- Create drawings that conform to prescribed drafting standards and practices.

EVALUATION OF LEARNING

Component	Option 1	Option 2	Comment
Assignments	22%	33%	
Term Project	10%	20%	
Quizzes	24%	42%	Written, open book
Instructor's Assessment	4%	5%	Based on your cooperation and attendance
Final Examination	40%	/	Written, open book
TOTAL	100%		

- * 50% of the final examination for **Option 1**, or 50% average of all examinations for **Option 2**, must be attained in order to pass this course. You will be asked to choose Option 1 or Option 2 in Week 14. If you miss Quiz 3, or miss both Quiz 1 and Quiz 2, or have not submitted all the required work, you will only be evaluated by **Option 1**.
- * Mark deduction for late submission of any assignment is 10% of that assignment. If handed in after the projects and/or assignments of the other students are returned to class, no mark will be given, but all the required project or assignments must be submitted to the satisfaction of the instructor in order to pass this course. If your project or assignment is required to redo and rehand in, your maximum mark for that project or assignment will be the minimum mark of the class minus 10%.
For the term project (TP), 10% mark deduction for late final submission, in addition to 10% deduction for late completion of the other TP stages when checked on the deadlines.
- * Assignments and term project are to be completed and submitted in groups. Try to cooperate and learn from each other. Team work is a part of the course requirement. If you are found not cooperative without a solid reason, you will need to do the work on your own, and the mark deduction is 20% for this work (assignment or term project).
- * Lab practices are not to be submitted.
- * No assignments and term project files shall be copied between groups. No shared files between groups.

- * Save your files frequently and correctly; Backup your files often in more than one places; Students are fully responsible for any loss of data and/or files.
- * Make a subfolder “CIVE131-Graphical Communications 1” in your Home drive and use it in this class.
- * Submit the required files to K:\Civil\Bao-Qin_Bai\CIVE131\Submissions; Your file names must exactly follow the File Name Convention required in this course (See file Cive131-Course Notes)

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the [Grade Review and Appeals](http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf) policy for more information.

COURSE GUIDELINES & EXPECTATIONS

Attendance

Students are expected to attend all lectures and labs on time. It is your responsibility to catch up with the others of your class if you missed some classes. The “Instructor’s Assessment” will be partly based on your attendance.

Due dates and Late Submissions

The due dates of your assignments and term project are to be given during classes. The purpose of the due dates is to help both you and I to get the work done so that we can have a relatively quick feedback and also your work can be assessed in a timely manner. Late submissions of any project or assignment will be subject to mark deductions.

Quizzes and Final Examination

All Quizzes and Final Examination must be written at the scheduled times with the exception of students requiring an accommodation by CAL. It is understood that emergency circumstances do occur (e.g. severe illness or family emergency); for such circumstances, accommodation may be offered at the discretion of the instructor, provided the student:

- a) notifies the instructor in advance of the exam (not after), and
- b) provides documented evidence of the circumstance (e.g. medical certificate).

SCHOOL OR DEPARTMENTAL INFORMATION

- Chair is Zoe Broom, TEC 116.
- See the chair if you need:
 - program help such as working out a part-time schedule
 - help with transfer credits
 - info on services from other departments.
- See your instructor if you need help with the course.

School: School of Trades and Technology. Office TEC 169

- Dean is Eric Sehn, TEC 169

- Associate Dean is Ken Kosik, TEC 169
- Student issues are looked after by the Associate Dean. However, if you need anything, go to the department chair first.

Equity, diversity, and inclusion (EDI) are central to Camosun's culture and values. The Camosun community and the engineering community at large commit to pursuing equity in education regardless of race, heritage, religion, gender or gender identity, and ability. We learn best when we feel safe. Inappropriate, hateful or demeaning comments or actions will not be tolerated. Your suggestions on how to make your experience here better are encouraged and appreciated. Please let me or the department chair know ways to improve your experience at Camosun. If you wish to know more about Camosun's EDI policy, please see the EDI page on the college's website: <http://camosun.ca/about/policies/equity-diversity-inclusion.html>

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

COLLEGE-WIDE POLICIES, PROCEDURES, REQUIREMENTS, AND STANDARDS

Academic Accommodations for Students with Disabilities

The College is committed to providing appropriate and reasonable academic accommodations to students with disabilities (i.e. physical, depression, learning, etc). If you have a disability, the [Centre for Accessible Learning](#) (CAL) can help you document your needs, and where disability-related barriers to access in your courses exist, create an accommodation plan. By making a plan through CAL, you can ensure you have the appropriate academic accommodations you need without disclosing your diagnosis or condition to course instructors. Please visit the CAL website for contacts and to learn how to get started:

<http://camosun.ca/services/accessible-learning/>

Academic Integrity

Please visit <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.13.pdf> for policy regarding academic expectations and details for addressing and resolving matters of academic misconduct.

Academic Progress

Please visit <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.1.pdf> for further details on how Camosun College monitors students' academic progress and what steps can be taken if a student is at risk of not meeting the College's academic progress standards.

Course Withdrawals Policy

Please visit <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.2.pdf> for further details about course withdrawals. For deadline for fees, course drop dates, and tuition refund, please visit <http://camosun.ca/learn/fees/#deadlines>.

Mandatory Attendance for First Class Meeting of Each Course

Camosun College requires mandatory attendance for the first class meeting of each course. If you do not attend, and do not provide your instructor with a reasonable reason in advance, you will be removed from the course and the space offered to the next waitlisted student. For more information, please see the “Attendance” section under “Registration Policies and Procedures”

(<http://camosun.ca/learn/calendar/current/procedures.html>) and the Grading Policy at <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf>.

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal. Please visit <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.8.pdf> to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun’s Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student’s right to choose what is right for them. For more information see Camosun’s Sexualized Violence and Misconduct Policy: <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.9.pdf> and camosun.ca/sexual-violence. To contact the Office of Student Support: oss@camosun.ca or by phone: 250-370-3046 or 250-3703841

Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College’s Student Misconduct Policy at <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf> to understand the College’s expectations of academic integrity and student behavioural conduct.

Changes to this Syllabus: Every effort has been made to ensure that information in this syllabus is accurate at the time of publication. The College reserves the right to change courses if it becomes necessary so that course content remains relevant. In such cases, the instructor will give the students clear and timely notice of the changes.
