

COURSE SYLLABUS

COURSE TITLE:	CIVE 142
CLASS SECTION:	X01, X02
TERM:	2024W
COURSE CREDITS:	3
DELIVERY METHOD(S):	Labs

Camosun College campuses are located on the traditional territories of the Ləkʷəŋən and W̱SÁNEĆ peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here. Learn more about Camosun's [Territorial Acknowledgement](#).

INSTRUCTOR DETAILS

NAME:	Stephen Cowden
EMAIL:	cowdens@camosun.ca
OFFICE:	TEC 105
HOURS:	Mondays 10:30am to 11:30am

As your course instructor, I endeavour to provide an inclusive learning environment. However, if you experience barriers to learning in this course, do not hesitate to discuss them with me. Camosun College is committed to identifying and removing institutional and social barriers that prevent access and impede success.

CALENDAR DESCRIPTION

Students traverse and survey a two to three hectare area of land using a total station with a data collector. Data is then uploaded to specialized software in order to create a digital surface and final topographic map. A survey layout is also conducted using a total station and data collector to enable construction of an engineering design.

PREREQUISITE(S): C in CIVE 131 and a C in CIVE 141

COURSE LEARNING OUTCOMES / OBJECTIVES

Upon successful completion of this course a student will be able to:

- Apply relevant safety regulations and best practices in the lab and in the field.
- Coordinate with other survey crews to ensure all necessary topography is recorded.
- Survey a closed traverse of >2 hectares in area using a total station and balance with appropriate software.
- Assess the elevation and location of inaccessible points by trigonometric leveling and triangulation.
- Use both field book manual recording and a data collector to record topographic data.
- Conduct an extensive field pickup of topographic points for both natural and man-made objects in the field.
- Create a digital surface model using industry recognized civil software to create a topographic map.
- Create a series of layout points using computer software (such as a road centerline) and stake them in the field using a data collector and total station.

The student will be able to participate in a group survey project that results in a large area being surveyed for later use with other courses:

- The student will perform one of two closed control traverses that share a common leg. A minimum of one of the traverses will include two or more OIPs.
- Precision for the traverse will be calculated and the traverse points adjusted using the compass method.
- The student will perform closed bench mark circuits that will be used to carry over an NAD 83 referenced elevation from a nearby OCM.
- The traverses will be adjusted for elevation and to use UTM coordinates using civil software to translate, rotate and change elevations of the points in each traverse as needed.
- Student survey groups will use total stations to collect side shots
- A contour map created and annotated.
- Additional site information from local government will be x-referenced to the drawing.

REQUIRED MATERIALS & RECOMMENDED PREPARATION / INFORMATION

Required:

A variety of required readings and documents will be posted, either as external links or as PDF files on the D2L site for the course. You can read these materials online or print them out, but they will be required reading, unless specifically marked as optional. **All lab readings should be done prior to the lab.**

Required Materials – have required materials purchased prior to the START of second week of classes.

Field Book	'Rite-in-Rain': stapled (#351) or spiral bound (#353)
2 mm Lead Holder	Staedtler 780C 2mm lead holder (<i>note the model with the chrome top has a built-in pencil sharpener</i>). Or similar.
2mm 2H leads	2mm 2H leads (in tube). Or similar.
Lead pointer	Staedtler 502 2mm lead pointer (<i>note the Staedtler 780C 2mm lead holder with the chrome top has a built-in pencil sharpener</i>)
White eraser	Staedtler white vinyl eraser. Or similar
Short ruler	6-inch ruler
Calculator	Should have Degrees, Minutes, Seconds (DMS) conversion

Strongly Recommended:

- Rain coat (wind resistance is helpful)
- Wet weather boots
- Warm clothing
- Gloves
- Hat

COURSE SCHEDULE, TOPICS, AND ASSOCIATED PREPARATION / ACTIVITY / EVALUATION

The following schedule and course components are subject to change with reasonable advance notice, as deemed appropriate by the instructor.

Lab Section X01: Thursday 8:30am – 12:20pm TEC 273

Lab Section X02: Wednesday 8:30am – 12:20pm TEC 273

Week	Week of Monday	Activity
1	January 8	Lab: Trigonometric Leveling
2	January 16	Lab: Triangulation
3	January 22	Lab: Introduction to Data Collectors
4	January 29	Lab: Layout of Road Curve
5	February 5	Lab: Multi-Set Angles and Traversing Using Data Collectors
6	February 12	Lab: Control Traverse Survey Using Data Collectors
7	February 19	READING BREAK
8	February 26	Lab: Control Traverse Survey Using Data Collectors continued
9	March 4	Lab: Organization for Final Project, Project Plan Assignment
10	March 11	Lab: 'Big Field' Control Traverses
11	March 18	Lab: 'Big Field' Control Traverses continued
12	March 25	Lab: Topographic Survey Data Collection
13	April 1	Lab: Topographic Survey Data Collection continued
14	April 8	Lab: Topographic Map Creation
15 & 16	Exams	No Exam

Students registered with the Centre for Accessible Learning (CAL) who complete quizzes, tests, and exams with academic accommodations have booking procedures and deadlines with CAL where advanced notice is required. Deadlines can be reviewed on the [CAL exams page](https://camosun.ca/services/academic-supports/accessible-learning/academic-accommodations-exams). <https://camosun.ca/services/academic-supports/accessible-learning/academic-accommodations-exams>

EVALUATION OF LEARNING

DESCRIPTION	COMMENTS	WEIGHTING
Field Book	Formal booking for each lab	15%
Assignment	Project Plan	5%
Labs	Lab work	45%
Final Project	Surface modeling of surveyed data	25%
Instructor Assessment	Group work, participation, punctuality	10%
If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the Grade Review and Appeals policy for more information. http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf		TOTAL 100%

COURSE GUIDELINES & EXPECTATIONS

- An overall weighted average of 50% must be attained on all quizzes and assignments
- A mark of at least 50% must be obtained on both the Practical (Field) Exam and the Written Final Exam, otherwise an F will be awarded.
- All lab work and assignments must be submitted to qualify to write the final exam.
- Late assignments and lab work:
 - Will have 10% deducted if submitted before marked work has been returned to the class or solutions posted.
 - Will receive NO mark if submitted after marked work has been returned to the class or solutions posted, but will be checked and count as submitted.
- Full attendance at the lab sessions is mandatory unless prior approval is granted by the instructor. Students must speak directly to the instructor.
- *5% will be deducted from the final grade for each absence from a lab without the instructor's prior permission or a doctor's certificate. Late arrivals greater than 20 minutes will be considered an absence.*

SCHOOL OR DEPARTMENTAL INFORMATION

Department:

- Civil Engineering Department. Chair is Zoe Broom, TEC 116.
- See the chair if you need:
 - program help such as working out a part-time schedule
 - help with transfer credits
 - information on services from other departments.

See your instructor if you need help with the course.

School: School of Trades and Technology. Office TEC 169

- Dean is Eric Sehn
- Associate Dean is Ken Kosik
- Both are in TEC 169
- Student issues are looked after by the Associate Dean. However, if you need anything, go to the department chair first.

Equity, diversity, and inclusion (EDI) are central to Camosun's culture and values. The Camosun community and the engineering community at large commit to pursuing equity in education regardless of race, heritage, religion, gender or gender identity, and ability. We learn best when we feel safe. Inappropriate, hateful or demeaning comments or actions will not be tolerated. Your suggestions on how to make your experience here better are encouraged and appreciated. Please let me or the department chair know ways to improve your experience at Camosun. If you wish to know more about Camosun's EDI policy, please see the EDI document on the college's website: <https://camosun.ca/sites/default/files/2021-05/g-2.1.pdf>

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

SUPPORTS AND SERVICES FOR STUDENTS

Camosun College offers a number of services to help you succeed in and out of the classroom. For a detailed overview of the supports and services visit camosun.ca/services.

Support Service	Website
Academic Advising	camosun.ca/services/academic-supports/academic-advising

If you have a mental health concern, please contact Counselling to arrange an appointment as soon as possible. Counselling sessions are available at both campuses during business hours. If you need urgent support after-hours, please contact the Vancouver Island Crisis Line at 1-888-494-3888 or call 911.

COLLEGE-WIDE POLICIES, PROCEDURES, REQUIREMENTS, AND STANDARDS

Academic Integrity

Students are expected to comply with all College policy regarding academic integrity; which is about honest and ethical behaviour in your education journey. The following guide is designed to help you understand your responsibilities: <https://camosun.libguides.com/academicintegrity/welcome>
Please visit <https://camosun.ca/sites/default/files/2021-05/e-1.13.pdf> for Camosun's Academic Integrity policy and details for addressing and resolving matters of academic misconduct.

Academic Accommodations for Students with Disabilities

The College is committed to providing appropriate and reasonable academic accommodations to students with disabilities (i.e. physical, depression, learning, etc.). If you have a disability, the [Centre for Accessible Learning](#) (CAL) can help you document your needs, and where disability-related barriers to access in your courses exist, create an accommodation plan. By making a plan through CAL, you can ensure you have the appropriate academic accommodations you need without disclosing your diagnosis or condition to course instructors. Please visit the CAL website for contacts and to learn how to get started:

<https://camosun.ca/services/academic-supports/accessible-learning>

Academic Progress

Please visit <https://camosun.ca/sites/default/files/2023-02/e-1.1.pdf> for further details on how Camosun College monitors students' academic progress and what steps can be taken if a student is at risk of not meeting the College's academic progress standards.

Course Withdrawals Policy

Please visit <https://camosun.ca/sites/default/files/2021-05/e-2.2.pdf> for further details about course withdrawals. For deadline for fees, course drop dates, and tuition refund, please visit

<https://camosun.ca/registration-records/tuition-fees#deadlines>.

Grading Policy

Please visit <https://camosun.ca/sites/default/files/2021-05/e-1.5.pdf> for further details about grading.

Grade Review and Appeals

Please visit <https://camosun.ca/sites/default/files/2021-05/e-1.14.pdf> for policy relating to requests for review and appeal of grades.

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal (see [policy](#)).

Please visit <https://camosun.ca/services/forms#medical> to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun's Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student's right to choose what is right for them. For more information see Camosun's Sexualized Violence and Misconduct Policy: <https://camosun.ca/sites/default/files/2021-05/e-2.9.pdf> and

camosun.ca/services/sexual-violence-support-and-education. To contact the Office of Student Support: oss@camosun.ca or by phone: 250-370-3046 or 250-370-3841

Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College's Student Misconduct Policy at <https://camosun.ca/sites/default/files/2021-05/e-2.5.pdf> to understand the College's expectations of academic integrity and student behavioural conduct.
