The Centre for Accessible Learning (CAL) is part of Camosun's Student Affairs unit. CAL coordinates academic accommodations and provides related programs and services to students with documented disabilities.

Students who require academic accommodations are expected to request and arrange accommodations through CAL in a timely fashion. While we understand that not all accommodation needs are known to students at the beginning of a course, accommodations cannot be provided unless the proper process is followed through CAL and an accommodation letter has been released to the instructor. Students are responsible for providing CAL with the proper documentation prior to the beginning of a course.

Students registered with the Centre for Accessible Learning (CAL) who complete quizzes, tests, and exams with academic accommodations have booking procedures and deadlines with CAL where advanced noticed is required.

#### Deadlines can be reviewed on the CAL exams page

## Artificial Intelligence: A Guide for Students

**Generative Artificial Intelligence (GenAI)** is an evolving technology that brings potential benefits but also substantial risks. While GenAI tools have the ability to transform how we work and learn, it is essential for the college community to adapt to these changes in a thoughtful and secure way.

When using GenAl tools, students should ensure proper citation and attribution guidelines are followed. This includes acknowledging Al assistance in reports ,presentations, or any external communications. Clear citation helps build trust, ensures ethical use, and reduces the risk of misinformation or copyright issues.

For citation support visit the college's citation style guide.

## Course Guidelines & Expectations

Regular attendance and engagement with course material is necessary to understand and apply the theoretical content and concepts from this course into practice. Students are expected to internalize and integrate the knowledge, skills and expectations for professional behaviour from this course to safely deliver dental hygiene care. Absence from class and lack of preparation increases the risk for students to be unsuccessful in meeting the learning outcomes for this course. Students are responsible to acquire all information given during a missed class, including notes, handouts, schedule changes, etc

## School or Departmental Information

Students are required to read and are accountable for the College policies (outlined in the section below).

If relevant, students are required to read and are accountable for the guidelines noted on the HHS Clinical and Practice Placements website.
