COURSE GUIDELINES & EXPECTATIONS

Assignment Expectations:

1. Please submit all assignments on the due date.
2. Submission after the due date will result in a loss of 3% of the assignment marks per day.
3. To request an extension for an assignment, please contact me at least 72 hours ahead of the due date. I trust that if you need an extension, it is for good reason, so I do not need explicit details as to why you need more time. However, if it becomes a chronic ask (meaning, more than 2+ times, let's connect about how to get you on track). I will do my best to remind you once re: late assignments, but it is your responsibility as a student to keep on top of it. Extensions are not guaranteed. *If something comes up day of, please reach out as soon as you are able*
4. Follow APA writing guidelines for all written work. This includes formatting, spelling, grammar, in-text citations and references. Please remember to proof read for spelling and grammar to present a professional looking assignment.
5. It is the responsibility of each student to save a copy of all assignments until a grade is received.
6. You will need to complete work in all areas to be eligible for a final grade for the semester. Assignments will not be accepted after the last day of class at the end of term unless an extension has been granted prior to the due date. Assignments not received by this time will receive a zero.

NOTE: It is the responsibility of the student to understand assignments and assignment expectations before submitting by the due date.

Should students receive a mark of less than 50% on an assignment, they may request to rewrite and resubmit the assignment. Permission to resubmit an assignment is at the discretion of the instructor; **rewritten assignments can receive a maximum grade of C+ (65%).**

This course must be passed with a 'C+' (65%) average to continue in the ELC Program.

Attendance

Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required.

Classroom experiences and participation are a major part of competency development; therefore, consistent attendance is expected.

Students are required to contact the instructor in advance if they are unable to attend class. Students who miss class are responsible for the material and assignments covered in class.

Repeated absence from class will affect a final grade.

SCHOOL OR DEPARTMENTAL INFORMATION

The Early Learning and Care program is within the Department of Health and Human Services.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
