COURSE GUIDELINES & EXPECTATIONS

In alignment with the BC Early Learning Framework, we see the classroom as a space for co-constructing knowledge (2019, p. 100). As such, your knowledge and experience will be valued and respected. We will begin the term by establishing community agreements to create a safe and brave space. Each of us is responsible for upholding these community agreements.

1) I expect students to be mindful of and respectful with their relationships with each other, the land, their and other's learning and funds of knowledge, and the whole community.

2) I intend to create a safe environment for everyone to be curious, ask, share, have their voices heard, and feel welcome to engage during classes.

3) Reflections are an important process of learning, so I expect students to engage with themselves in critical thinking, brainstorming, highlighting, recording, and growing in their learning processes.

4) Assignments can be found on D2L. All assignments are due by 11:59 p.m. on the due date. You will need to complete work in all areas to be eligible for a final grade for the semester. Late Assignments: All assignments must be completed/submitted on the dates assigned. Late assignment grades will be reduced by 3% per day unless an extension is approved by the instructor. To request an extension for an assignment, please contact your instructor and provide an explanation/rationale for requesting an extension and negotiate a revised due date. Extensions are not granted on the due date.

Assignments will not be accepted after the last day of class at the end of term unless an extension has been granted prior to the due date. Assignments not received by this time will receive a zero.

5) Follow APA writing guidelines. This includes formatting, spelling, grammar, in-text citations and references. Please remember to proofread for spelling and grammar to present a professional looking assignment.

6) It is the responsibility of each student to save a copy of all assignments until a grade is received.

7) Plagiarism & Academic Dishonesty. If plagiarism, cheating, or academic dishonesty can be documented, the penalty will be an automatic "zero" on the assignment in question. Camosun College's policy on Plagiarism can be found here: <http://camosun.ca/about/policies/education-academic/e-2-student-services-&-support/e-2.5.1.pdf>

8) PLEASE NOTE: It is the responsibility of the student to understand assignments and assignment expectations before submitting by the due date. Should you receive a mark of less than 50% on an assignment, you may request to rewrite and resubmit the assignment. Permission to resubmit an assignment is at the discretion of the instructor, rewritten assignments can receive a maximum grade of C+ (65%). This course must be passed with a 'C+' (65%) average to continue in the ELC Program.

9) Attendance. Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of competency development; therefore, consistent attendance is expected. Students are required to contact The instructor in advance if they are unable to attend class. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class will affect a final grade
