COURSE GUIDELINES & EXPECTATIONS

Late Assignment Policy

As an in-person course, English 151 includes tightly scheduled readings, tasks, and assignments. Deadlines are necessary to keep your work on track and to enable your instructor to give you timely feedback on assignments.

If you anticipate that you cannot meet a deadline for a major assignment, please let me know. I am very open to arranging an extension (normally of a few days, but each case is different). To request an extension, please send an email (stuartt@camosun.ca) indicating the assignment, the original deadline, a reason you need more time, and a proposal for a new deadline. (Extensions are definitely warranted if you are ill or dealing with a personal emergency, but note that your reason can simply be "I think I can make this assignment better if I work on it for two more days.")

If you submit an assignment after the posted deadline without having negotiated an extension, however, your work (1) will not receive a full set of comments and (2) your assignment grade will be lowered by 5% for every day it is late.
