COURSE GUIDELINES & EXPECTATIONS

Exams: Students should avoid making prior travel, employment, or other commitments for this period. If a student is unable to write an exam through no fault of his or her own for medical or other reason, valid documentation must be provided and it must be discussed with the instructor well in advance of the exam date. If the student is absent for an exam (written or practical) and has not made arrangements with the instructor in advance, a zero grade will be applied.

Attendance: Students are expected to attend each class. A number of the classes are practical (“learn to” in nature); therefore, **attendance and PARTICIPATION in each activity** module (paddling, cycling, swimming and outdoor activities including orienteering) **is required to pass the class**. Marks will be deducted for each absence and failure to participate will result in **FAILURE** of the course.

In consultation with the instructor, any student who was unable to attend a lab will be required to perform a make-up assignment or attend a make-up session. This consultation must occur within 1 week of the excused absence.

***In order to receive a final grade for this course, students must participate in & complete all components of the course.**

***PRACTICAL COMPONENT MARKING SCHEME (30% of course grade):**

A large component of this course is practical (“learn to” in nature) and therefore attendance and participation in each activity is required to pass the class. Attendance will be taken at the START of each lab. If you are late for a lab, it is YOUR responsibility to ensure you have been marked as present for the lab. Marks will be deducted for each unexcused absence and failure to participate may result in failure of the course.

Each lab/practical session you will be assigned a grade out of 3 as follows for participation/contribution:

3/3	Punctual arrival/stays until end of class, good class participation/contribution, positive attitude/effort.
2/3	Missing one of the above.
1/3	Missing two of the above.
0/3	Unexcused absence.

Professional standards for students

- Students are expected to exhibit polite, mature and respectful behaviour in class (lectures, labs, seminars or practicums) and actively participate as needed.
- Students are expected to arrive for class on time. This is especially critical when there are guest speakers for the class concerned. If students are late for a valid reason they should enter by the door at the back of the classroom, if available, with materials out and ready to be used.
- Students are expected to not wear headphones or ear-buds in class. Cell phones, laptops and tablets should only be used at the discretion of the instructor. The consequences of inappropriate cell phone, laptop or tablet use may include a request to leave the classroom and/or potential forfeiture of class participation marks, if applicable. If cell phones must be used or checked during class, please leave the room to do so.
- Students are expected to conduct themselves in a manner that maximizes the learning of all students. If students are distracting other members of class they will be asked to leave the classroom. Please wait until a class-break to take garbage or recyclables to the appropriate bins.
- Students are expected to dress appropriately for the class/lab concerned. If making a presentation in class, students are expected to dress as though making a presentation at an important job interview.
- Students are expected to maintain good personal hygiene standards for all classes. If students have been active immediately prior to a class/lab, they should make an attempt to shower/wash prior to attending class and/or change into clean dry clothing/shoes. Please be considerate to others and do not wear overpowering perfumes or scents.
- Students should not expect instructors, instructional assistants, or any other CSEE staff to answer emails after 5pm or on weekends. While many instructors will check email occasionally after-hours, this is at their discretion and cannot be guaranteed.

Policy on Calculators: Calculators will be permitted during tests. Permission is restricted to non-programmable calculators only. Cell phone calculators cannot be used.

Policy on Cell Phones, other Electronic Devices (iPods etc.): Cell phones and other electronic devices are not to be used during scheduled class and lab times.

Exam and Assignment Scheduling Policy: The course exams and assignments are pre-scheduled by the instructor and written or due as outlined in this course outline.

Late Assignments: Late assignments will not be accepted. If a student will miss a class due to illness, it is expected that the assignment will be emailed to the instructor prior to the date and time that it is due.

Papers and/or assignments that are deemed unacceptable by the faculty will be returned and receive an automatic 10% deduction on the grading of said item. Papers and / or assignments will receive a 10% per day deduction thereafter. After the 5th day the assignment will receive a grade of 0%. Failure to turn in an assignment may result in an incomplete final grade being assigned for the course.

Reasons that a faculty may deem an item unacceptable include but are not limited to the following:

- Grammar
- Spelling
- Content
- Punctuation
- Inappropriate referencing /citations

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

COLLEGE-WIDE POLICIES, PROCEDURES, REQUIREMENTS, AND STANDARDS

Academic Integrity

Students are expected to comply with all College policy regarding academic integrity; which is about honest and ethical behaviour in your education journey. The following guide is designed to help you understand your responsibilities: <https://camosun.libguides.com/academicintegrity/welcome>
Please visit <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.13.pdf> for Camosun's Academic Integrity policy and details for addressing and resolving matters of academic misconduct.

Academic Accommodations for Students with Disabilities

The College is committed to providing appropriate and reasonable academic accommodations to students with disabilities (i.e. physical, depression, learning, etc.). If you have a disability, the [Centre for Accessible Learning](#) (CAL) can help you document your needs, and where disability-related barriers to access in your courses exist, create an accommodation plan. By making a plan through CAL, you can ensure you have the appropriate academic accommodations you need without disclosing your diagnosis or condition to course instructors. Please visit the CAL website for contacts and to learn how to get started:
<http://camosun.ca/services/accessible-learning/>

Academic Progress

Please visit https://www.camosun.ca/sites/default/files/2021-05/e-1.1_0.pdf for further details on how Camosun College monitors students' academic progress and what steps can be taken if a student is at risk of not meeting the College's academic progress standards.

Mandatory Attendance for First Class Meeting of Each Course

Camosun College requires mandatory attendance for the first class meeting of each course. If you do not attend, and do not provide your instructor with a reasonable reason in advance, you will be removed from the course and the space offered to the next waitlisted student. For more information, please see the “Attendance” section under “Registration Policies and Procedures” (<https://camosun.ca/registration-records/policies-and-procedures-students/registration-policies-students>) and the Grading Policy at <http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf>.

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal. Please visit <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.8.pdf> to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun’s Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student’s right to choose what is right for them. For more information see Camosun’s Sexualized Violence and Misconduct Policy: <http://www.camosun.ca/sites/default/files/2021-05/e-2.9.pdf> and camosun.ca/sexual-violence. To contact the Office of Student Support: oss@camosun.ca or by phone: 250-370-3046 or 250-370-3841

Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College’s Student Misconduct Policy at <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf> to understand the College’s expectations of academic integrity and student behavioural conduct.
