COURSE GUIDELINES & EXPECTATIONS

There will be several assignments throughout the course. It is the student's responsibility to be informed of any assigned work and due dates. When submitting your own individual assignment, be sure that it is your own work (keeping in mind academic honesty requirements). This applies even if you are studying with other students - the work you submit must still be your own. Please submit assignments in the format requested by the instructor. Incorrect formatting will result in late penalties and delayed grading.

Students are expected to attend the seminars prepared to discuss the materials from the related material.

SCHOOL OR DEPARTMENTAL INFORMATION
