COURSE GUIDELINES & EXPECTATIONS

Students are expected to attend the lectures prepared to discuss the materials from the related worksheets.

There will be several assignments throughout the course. It is the student's responsibility to be informed of any assigned work and due dates.

When submitting your own individual assignment, be sure that it is your own work (keeping in mind academic honesty requirements). This applies even if you are studying with other students - the work you submit must still be your own.

Please submit assignments in the format requested by the instructor. Incorrect formatting will result in late penalties and delayed grading.

Students are expected to attend the lectures on time, prepared to discuss the materials from the related worksheets.

Students that do not come prepared to actively participate (appropriate dress, textbooks, etc.) may be asked to leave.
