COURSE GUIDELINES & EXPECTATIONS

Lecture Attendance

To get the most out of this course, students are expected to attend all classes and labs, and be on time. It is your responsibility to acquire all information given during a class missed, including notes, hand-outs, changed exam dates etc.

Due Dates and Late Assignments

Due dates are fixed (unless you have an approved academic accommodation through CAL, these students will discuss their due dates with me before the assignment is due), and it is expected that students will hand in assignments on time. Assignment marks will be returned to students in a timely manner, usually within 1-2 weeks, depending on the length of the assignment.

Late assignment deductions will be indicated on the specific assignment instructions. **Assignments will not be marked if more than three days late inclusive of weekends.**

Exam Procedures

All exams must be written at the scheduled times except for students requiring an accommodation by CAL. It is understood that emergency circumstances do occur (e.g., illness or family emergency); for such circumstances, accommodation may be offered at the discretion of the instructor, provided the student:

- a) notifies the instructor in advance of the exam (not after), and
- b) provides documented evidence of the circumstance (e.g., medical certificate).

If an exam is missed with an excused absence, it is up to the instructor's discretion as to how the mark will be made up.

Be sure not to make travel plans for the end of semester until the final exam schedules are finalized and posted. Please ask any family members who might make travel plans on your behalf to consult you before booking tickets.

Please note: the use of cell phones during a test or quiz is not allowed and may result in a zero for that assessment.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of college property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
