CALENDAR DESCRIPTION

Students will extend a foundation of basic mathematics skills, concepts, vocabulary, and problem-solving strategies to prepare them to meet personal, career, or academic goals. Students will perform functions related to the following topics: place value, rounding, adding, subtracting, multiplying, and dividing decimals, metric measurement. Students will extend automaticity and estimation skills to increase their confidence and competence in mathematics.

PREREQUISITE(S):

All of COM in ENGL 023 and C in MATH 023 Or all of COM in ELD 052 and ELD 054, C in MATH 023

COURSE LEARNING OUTCOMES / OBJECTIVES

Upon successful completion of this course a student will be able to:

l	Learning Outcome		Sub-outcomes / skills
	Students will be able to		By achieving this broader outcome, students will demonstrate that they can also
	Evaluate decimal expressions using addition subtraction, multiplication and division	•	Read and write decimals

2.	Identify place value to 10 000ths	•	Apply or use examples of keywords: decimal, decimal place value, per, of, by
3.	Round decimal numbers to a given place value	•	Convert between dollars and cents
4.	Order decimal numbers	•	Compare decimal values
5.	Evaluate multi-step decimal expressions	•	Translate word problems into mathematical
6.	Solve word problems		expressions and/ or equations
7.	Convert measurements within the metric system	•	Convert metric units without a conversion chart
		•	Apply and use metric examples of length, mass, capacity and temperature
		•	Calculate perimeter and area of squares and rectangles
		•	Add and subtract same units and mixed metric units

This course meets the required learning outcomes for Fundamental Mathematics as outlined in the BC ABE Articulation Handbook.

REQUIRED MATERIALS & RECOMMENDED PREPARATION / INFORMATION

1. Adult Literacy Fundamental Mathematics Book Four

Supplementary Materials

- a) three-ring binder, lined paper, graph paper
- b) pencils, eraser, ruler, highlighter, file cards

COURSE SCHEDULE, TOPICS, AND ASSOCIATED PREPARATION / ACTIVITY / EVALUATION

This class is expected to be a combination of online, blended and in-person instruction.

For each unit, students are expected to prepare for the Unit Final Test by completing the Unit Review. Consult with your instructor for authorization to write the Unit Final Test and proceed to the next unit if the score is 75% or better. Students rewrite the Unit Final Test for scores less than 75%.

Calculators may not be used unless approved by the instructor.

COURSE GUIDELINES & EXPECATIONS

This is a self-paced course. Students have the flexibility to follow an individually-adaptable timeline to complete the learning outcomes and unit tests. The course is a combination of 6 online, blended and/or inperson hours per week with an expectation of studying another 4 hours per week. The course completion time will vary for each student, depending on a number of factors, including students' current level of math skills, motivation, learning rate, and time devoted to study. Students have a responsibility to work hard, attend class and/or meetings, and ask for support when needed.

SCHOOL AND DEPARTMENTAL INFORMATION

Community Learning Partnerships (CLP), a department of the School of Access, brings education to community-based sites to make it easier for students to begin or return to learning in a less intimidating place than on the college campus. Students can build or refresh their skills to meet admission requirements and be successful in other college programs. Students learn in a comfortable environment with other adults who share similar backgrounds and get help from friendly and compassionate Camosun instructors and staff. Community Learning Partnerships department: <u>http://camosun.ca/learn/school/access/community-partnerships/index.html</u>.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

COLLEGE-WIDE POLICIES, PROCEDURES, REQUIREMENTS, AND STANDARDS

Academic Accommodations for Students with Disabilities

The College is committed to providing appropriate and reasonable academic accommodations to students with disabilities (i.e. physical, depression, learning, etc). If you have a disability, the <u>Centre for Accessible</u> <u>Learning</u> (CAL) can help you document your needs, and where disability-related barriers to access in your courses exist, create an accommodation plan. By making a plan through CAL, you can ensure you have the appropriate academic accommodations you need without disclosing your diagnosis or condition to course instructors. Please visit the CAL website for contacts and to learn how to get started: <u>http://camosun.ca/services/accessible-learning/</u>

Academic Integrity

Please visit <u>http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.13.pdf</u> for policy regarding academic expectations and details for addressing and resolving matters of academic misconduct.

Academic Progress

Please visit <u>http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-</u>

<u>1.1.pdf</u> for further details on how Camosun College monitors students' academic progress and what steps can be taken if a student is at risk of not meeting the College's academic progress standards.

Course Withdrawals Policy

Mandatory Attendance for First Class Meeting of Each Course

Camosun College requires mandatory attendance for the first class meeting of each course. If you do not attend, and do not provide your instructor with a reasonable reason in advance, you will be removed from the course and the space offered to the next waitlisted student. For more information, please see the "Attendance" section under "Registration Policies and Procedures"

(<u>http://camosun.ca/learn/calendar/current/procedures.html</u>) and the Grading Policy at <u>http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf</u>.

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal. Please visit http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.8.pdf to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun's Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student's right to choose what is right for them. For more information see Camosun's Sexualized Violence and Misconduct Policy: http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.9.pdf and camosun.ca/sexual-violence.
