COURSE GUIDELINES & EXPECTATIONS

Deadlines and exams

You must submit your assignments by the due date or as announced. A grade of zero will be assigned to late submissions. There are no additional assignments or make-up exams of any kind if you performed poorly on an assignment, midterm or final exam.

EXAM DATES WILL NOT BE RESCHEDULED. Non-attendance on scheduled exam dates will result in a zero grade. All exams must be written at the scheduled times with the exception of students requiring an accommodation by CAL.

It is understood that emergency or extenuating circumstances do occur (e.g. severe illness or family emergency). Rescheduling due to emergency circumstances beyond the student's control may be provided at the discretion of the course instructor. Students may be asked to provide documentation to support their request to reschedule an exam.

Exam rescheduling requests due to emergency or extenuating circumstances, with few exceptions, must be made prior to attempting the scheduled exam. Requests to reschedule will not be considered once the student has attempted the exam.

In most cases of an excused absence for an exam, an alternate exam will be scheduled for the student before the end of term.

Do not make travel plans until the exam schedule is finalized and posted. Please ask any family members who might make travel plans on your behalf to consult you before booking tickets. Travel plans are not an acceptable reason to miss an exam.

Students registered through the [Centre for Accessible Learning \(CAL\)](#) should discuss timelines with their instructors at the beginning of each semester.
