INSTRUCTOR DETAILS

NAME: Meggan Pohanka
EMAIL: PohankaM@camosun.ca
OFFICE: CHW 317
HOURS: By appointment

As your course instructor, I endeavour to provide an inclusive learning environment. However, if you experience barriers to learning in this course, do not hesitate to discuss them with me. Camosun College is committed to identifying and removing institutional and social barriers that prevent access and impede success.

CALENDAR DESCRIPTION

In this advanced beginner course, students examine their future role and responsibilities as advanced beginner student radiographers in the clinical learning environment. Students enhance their teamwork, communication, and critical thinking skills by analyzing a variety of clinical case scenarios. Emphasis is on solving problems in challenging situations commonly encountered by Medical Radiation Technologists. Students also review the scope of practice and professional expectations for an advanced beginner in Clinical Practicum 2.

Note: Only open to students in the Medical Radiography program.

PREREQUISITE(S): **All of:** C+ in MRAD 108; COM in MRAD 130

COURSE LEARNING OUTCOMES

Upon successful completion of this course a student will be able to:

- a) discuss the scope of practice and professional expectations for an advanced beginner student during Clinical Practicum 2.
- b) demonstrate basic problem-solving skills by analyzing a variety of challenging clinical case scenarios commonly encountered by a Medical Radiation Technologist.
- c) demonstrate appropriate professional conduct and advanced teamwork, communication, and critical thinking skills required for success as an advanced beginner student radiographer.
- d) discuss student responsibilities and expectations surrounding assignments, clinical feedback and assessments to ensure success in Clinical Practicum 2.

COURSE OBJECTIVES AND MAPPED PROFESSIONAL COMPETENCIES

(also known as “sub-outcomes” or “learning objectives”)

Canadian Association of Medical Radiation Technologists Competency Profile, Radiological Technology (2019)

- 1.1. Describe the purpose of the [National Competency Profile for Entry-Level MRTs in Canada](#) and the [Radiological Technology Companion Document](#).
- 1.2. Discuss the organization of the competency framework and describe the seven roles MRTs play in patient care – professional, communicator, collaborator, leader, scholarly practitioner, care provider and clinical expert.
- 1.3. Define entry-level as it pertains to the competency profile, the certification process, and MRT practice in Canada.
- 1.4. Review the [CAMRT Best Practice Guidelines](#) and explain the meaning of best practice. **(1.3.3)**
- 1.5. Discuss challenging scenarios and/or critical incidents encountered during Clinical Practicum 1 (CP1).
- 1.6. Engage in reflective practice to examine actions and experiences, identify personal areas for improvement, and help prevent future error and bias. **(1.3.3, 1.3.4, 1.5.1, 6.1.1)**
- 1.7. Define competency-based assessment and compare with knowledge-based assessment.
- 1.8. Develop and analyze case studies related to the competencies in the competency profile.
- 1.9. Develop multiple choice questions related to competencies in the competency profile, including question (stem), key (answer), distractors, rationale, and reference.
- 1.10. Discuss student roles and responsibilities related to clinical practicum, such as attendance, participation, supervision, and communication.
- 1.11. Describe the clinical orientation process and list requirements that must be met prior to performing procedures on patients in a new practice area.

- 1.12. Define indirect supervision and describe when this is appropriate and how this can be achieved.
- 1.13. Discuss ways to promote a safe and effective learning environment during Clinical Practicum 2 (CP2).
- 1.14. Discuss sources of stress and fatigue faced by MRTs in the healthcare setting and discuss strategies for maintaining a work-life balance. **(1.4.2)**
- 1.15. Taking into consideration the clinical requirements for CP2, as well as the competency framework for MRTs in Canada, engage in reflective practice to identify personal limitations and set goals for personal growth during CP2. **(1.2.2, 6.1.1, 6.2.2)**
- 1.16. Describe the tools used to assess clinical competence in the educational program, including: clinical portfolio, formative evaluation, and competency assessment.
- 1.17. Explain how the summative evaluation (final grade decision) is determined at the end of CP2.

Students enrolled in Allied Health & Technologies Programs must achieve a minimum of 65% or a “COM” in each of their courses in order to use their course as a pre-requisite and progress in their program.

Students enrolled in Allied Health & Technologies Programs must participate in learning activities that include intimate and direct personal contact with their classmates during supervised practice. Students are training to perform the duties of a healthcare professional. These duties usually require constant, close physical contact with patients and clients. Students may be required to simulate and perform these activities on one another during this course. Students may also be required to use special hygiene practices and protective gear to protect themselves from the transmission of communicable diseases (like COVID-19). Risks associated with learning and performing the physical duties of a healthcare profession cannot be entirely eliminated by any amount of caution or protection. Students who refuse, or are incapable of participating and performing these

activities due to personal or medical limitations, may only continue to participate in their course work when supported by officially registered accommodations or temporary medical advisory.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal. Please visit <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.8.pdf> to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun's Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student's right to choose what is right for them. For more information see Camosun's Sexualized Violence and Misconduct Policy: <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.9.pdf> and camosun.ca/sexual-violence. Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College's Student Misconduct Policy at <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf> to understand the College's expectations of academic integrity and student behavioural conduct.

Changes to this Syllabus: Every effort has been made to ensure that information in this syllabus is accurate at the time of publication. The College reserves the right to change courses if it becomes necessary so that course content remains relevant. In such cases, the instructor will give the students clear and timely notice of the changes.
