Course description

Course Description:

During this advanced beginner course, students combine knowledge from all previous Medical Radiography program courses and clinical experiences to achieve clinical competence as Radiological Technologist. Focus is on performing routine examinations in Computed Tomography, as well as advanced radiographic examinations on varied and complex patients. Students practice under direct and indirect supervision and receive feedback on their developing skills from qualified Medical Radiation Technologists.

Prerequisites:

All of:

- C+ in AHLT 266
- C+ in HLSC 264
- C+ in MRAD 256
- C+ in MRAD 273
- C+ in MRAD 277
- C+ in MRAD 279
- COM in MRAD 260

Pre or Co-requisites:

All of:

- C+ in AHLT 268
- C+ in AHLT 288

Learning outcomes

Upon successful completion of this course a student will be able to:

1. Demonstrate professionalism in a variety of health care settings by adhering to the Canadian Association of Medical Radiation Technologists' Code of Ethics and practice guidelines.
2. Apply knowledge from prior didactic and clinical experiences to a variety of clinical settings and practice situations within the scope of practice of a Radiologic Technologist.
3. Recognize appropriate learning opportunities within the clinical practice setting to expand on and maintain clinical competence as a Radiologic Technologist.
4. Manage safe patient interactions by observing legal and ethical workplace standards and utilizing best practices.
5. Practice appropriate, accurate, and effective communication with members of the public and all members of the health care team.
6. Demonstrate effective functioning within the health care team by promoting a collaborative approach to patient-centered care.
7. Perform a variety of routine and non-routine radiographic examinations and routine enhanced and unenhanced examinations in Computed Tomography within the scope of practice of a Radiologic Technologist.
8. Demonstrate the entry-to-practice capabilities of a Radiologic Technologist in a variety of clinical settings and practice situations.

Course reading materials

Title: Camosun Clinical Education Website - <https://camosunmrاد.opened.ca/>

Required/Optional: Required

Course materials

It is the responsibility of the student to review theory to adequately prepare for practice in the clinical setting. Students must make use of all program textbooks, class notes and assignments plus other credible resources as material for this preparation.

Required clinical documents: Portfolio of Clinical Experience and Competence, Clinical Pocket Book

The remainder of learning materials for this course are available on D2L.

Course schedule

Detailed schedule available on D2L.

Assessment and evaluation

Competency based grading system

COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

Course guidelines and expectations

- Clinical rotation schedule is posted in D2L
- Week one is reserved for site orientation.
- Students are expected to wear Camsoun scrubs.
- Unless otherwise posted in D2L, all documentation must be submitted by the end of week 15.
- Students who did not meet attendance or other clinical requirements, including unsatisfactory final formative evaluation, are required to make up missed time or complete portfolio requirements in week 16.

All clinical requirements must be completed to receive a COM grade for MRAD 290

College policies and student responsibilities

The college expects students to be responsible, respectful members of the college community. Responsible students meet expectations about attendance, assignments, deadlines, and appointments. They become familiar with academic policies and regulations, and their rights and responsibilities.

College policies are available online at the [Policies and Directives](#) page. Academic regulations are detailed on the [Academic Policies and Procedures for Students](#) page.

Policies all students should be familiar with include the [Academic Integrity Policy](#). This policy expects students to be honest and ethical in all aspects of their studies. It defines plagiarism, cheating, and other forms of academic dishonesty. Infractions of this policy can result in loss of marks or a failing grade. To learn more about plagiarism and cheating, including the use of artificial intelligence, review the [Academic Integrity Guide](#).

The [Academic Accommodations for Students with Disabilities Policy](#) defines how Camosun provides appropriate and reasonable academic accommodations. The Centre for Accessible Learning (CAL) coordinates academic accommodations. Students requiring academic accommodations should request and arrange accommodations through CAL. Contact CAL at least one month before classes start to ensure accommodations can be put in place in time. Accommodations for quizzes, tests, and exams must follow CAL's booking procedures and deadlines. More information is available on the [CAL website](#).

Students must meet the grading and promotion standards to progress academically. More information is available in the [Grading Policy](#).

The college uses two grading systems. A course will either use the standard letter grade system (A+ to F) or a competency-based approach with grades of complete, completed with distinction or not completed. Visit the [Grades/GPA page](#) for more information.

Students must meet the college's academic progress standards to continue their studies. A student is not meeting the standards of progress when a GPA falls below 2.0. The college offers academic supports for students at risk of not progressing. The [Academic Progress Policy](#) provides more details.

If you have a concern about a grade, contact your instructor as soon as possible. The process to request a review of grades is outlined in the [Grade Review and Appeals Policy](#).

The [Course Withdrawals Policy](#) outlines the college's requirements for withdrawing from a course. Consult the [current schedule](#) of deadlines for fees, course drop dates, and tuition refunds.

If students experience a serious health or personal issue, they may be eligible for a [medical or compassionate withdrawal](#). The [Medical/Compassionate Withdrawal Request Form](#) outlines what is required.

The [Acceptable Technology Use](#) policy ensures the use of the college network and computers contribute to a safe learning environment. This policy also applies to the use of personal devices with the college network.

Students experiencing sexual violence can get support from the Office of Student Support. This Office of Student support is a safe and private place to discuss supports and options. More information is

available on the [sexual violence support and education site](#). Students can email oss@camosun.ca or phone 250-370-3046 or 250-370-3841.

The [Student Misconduct Policy](#) outlines the college's expectations of conduct. Students should behave to contribute to a positive, supportive, and safe learning environment.

The [Ombudsperson](#) provides an impartial, independent service to help students understand college policies.

Services for students

Successful students seek help and access college services. These services are recommended to make the most of your time at college.

Services for Academic Success

- [Career Lab](#): Connects students with work-integrated learning experiences, including co-op placements and career fairs.
- [English, Math, and Science Help Centres](#): Get one-on-one help with homework.
- [Library](#): Get help with research, borrow materials, and access e-journals and e-books. Libraries at both campuses provide computers, individual and group study spaces.
- [Makerspace](#): A place to innovate, collaborate, and learn new skills and technology in a fun, dynamic, inclusive environment.
- [Writing Centre & Learning Skills](#): Get assistance with academic writing or meet with a learning skills specialist for help with time management, preparing for exams, and study skills.

Enrolment, Registration, and Records

- [Academic Advising](#): Talk to an academic advisor for help with program planning.
- [Financial Aid and Awards](#): Learn about student loans, bursaries, awards, and scholarships.
- [Registration](#): Get information about Camosun systems, including myCamosun, and college policies and procedures.
- [Student Records](#): Get verification of enrolment to access funding, request a transcript, or credential.

Wellness and Cultural Supports

- [Counselling](#): It's normal to feel overwhelmed or unsure of how to deal with life's challenges. The college's team of professional counsellors are available to support you to stay healthy. Counselling is free and available on both campuses. If you need urgent support after-hours, contact the Vancouver Island Crisis Line at 1-888-494-3888 or call 911.

- [Centre for Indigenous Education and Community Connections](#): Provides cultural and academic supports for Indigenous students.
- [Camosun International](#): Provides cultural and academic supports for international students.
- [Fitness and Recreation](#): Free fitness centres are located at both campuses.

For a complete list of college services, see the [Student Services](#) page.

Changes to this syllabus

Every effort has been made to ensure that information in this syllabus is accurate at the time of publication. The College reserves the right to change the course content or schedule. When changes are necessary the instructor will give clear and timely notice.
