IMPORTANT: Aural Skills and Chromatic Harmony are a co-requisite unit. **A passing grade of C or better must be earned in BOTH Aural Skills 3 (MUSC 214) AND Chromatic Harmony (MUSC 212) in order to continue with Aural Skills 4 (MUSC 215) and Advanced Harmony and Atonal Structures (MUSC 213).** A grade of D or F in EITHER Aural Skills OR Chromatic Harmony will prevent registration in the continuation of BOTH courses, and will need to be improved to a grade of C or better by retaking the course(s) in the subsequent academic year.

COURSE GUIDELINES & EXPECTATIONS

- Classroom time, 2 hours per week; Estimated out-of-class time, 2 hours per week minimum provided student attends ALL classes. The amount of time spent practicing for this course will vary widely from student to student.
- Use the Weekly Schedule chart in the Course Schedule section above to stay on track. For each week of the term, class topics, textbook chapters, and assessment due dates are provided in the chart. In general, Wednesdays will focus on sight singing/reading skills and Fridays will focus on dictation/writing skills (some cross-over is likely). Class time will be spent practicing skills together and individually.
- Starting in Week 2, **weekly homework** assignments are due in class on Fridays. These assignments are almost all accessed via the course website in D2L and involve writing/notating answers on your own paper and/or

staff paper. The readability of each assignment you hand in will count toward its grade. This includes your handwriting and the correctness of your notation. Students must only submit their own original work; submitting other classmates' assignments on their behalf is not allowed. Periodic **quizzes** (unannounced) will occur at the beginning of class (don't be late!). One quiz with your lowest score will be excluded from your grade. **Attendance and participation** are mandatory in all class sessions, as this is a course that depends on in-class practice.

- D. There will be a two-part comprehensive **final exam** at the end of the term. Each of the two separate parts of the final exam may occur any time within the final exam period (December 9-17). All students must be present for both parts of the exam; **DO NOT** make travel plans that overlap with any part of the exam period. Examination schedules are posted on the post-secondary bulletin board at the VCM by late October.
- E. Attendance is taken at the beginning of each class, and it is your responsibility to notify (email) the instructor each time you are absent. **Each unexcused absence after the first three** will count as a 4-percent deduction to the participation portion of your grade. **Late homework** that has not been granted a deadline extension **WILL** be accepted with a penalty of 2 percentage points each day an assignment is late, up to a maximum of 30 percentage points deducted. Toward the end of the term, the instructor will set a date after which no late homework will be accepted. There are no make-ups for missed quizzes or exams and no extensions of homework deadlines **unless your absence is excused AND notice was given PRIOR to class**. Absences may be excused for illness, emergency, or participation in institution-sponsored events when appropriate notice or documentation is promptly forwarded to the instructor. In the case of prolonged illness, documentation is required from a doctor (or certified healthcare professional) that includes a clear statement of **WHAT** you could not do and **WHEN** you could not do it (e.g., "Student was bedridden from October 5-7," or "Student will not be able to use right hand for two weeks, October 1-15"). It is not necessary to disclose the reason for your illness. Upon approval of your doctor's note, accommodations within reason will be made to reschedule missed assessments or grant extensions on due dates.
- F. Do not bring noise-making devices to class. If you must, turn them OFF (preferred) or be sure your silent mode is truly silent. Extraneous beeps, rings, and buzzes are disrespectful to your classmates and to me – a zero-tolerance policy will be observed. Noisy food is also prohibited in the classroom.
- G. **Should problems or difficulties with the course materials arise, please contact the instructor as soon as possible. Suggestions for extra help customized to your specific needs will be provided.**
