COURSE GUIDELINES & EXPECTATIONS

- A. The average amount of time spent working on materials for this course is 3 hours per week. The weekly schedule in the Course Schedule section, above, outlines the weekly/biweekly modules of content that are to be completed in order. For each week of the term, topics and assessment due dates are provided.
- B. The Evaluation of Learning section, above, outlines the basis of student assessment. The **participation** portion of your grade consists of seven (7) assessments in total: four (4) discussions, and three (3) self-assessment quizzes. The **exercise** portion of your grade consists of one (1) exercise. The **quiz** portion of your grade consists of two (2) quizzes. The **project** portion of your grade consists of three (3) projects. Assessments within each category (participation, exercise, quizzes, and projects) are weighted equally.
- C. In order to receive full credit for each of the graded assessments, you must submit them by their respective due dates and times. In the event you do not meet a submission deadline and you have not been given an extension (see Part D below), I will accept your late work with penalty. Points will be deducted for **each day** an assignment is late (1 point per day, up to a maximum of 30 deducted). Please do your best to submit your work as soon as you have completed it, even if the deadline has passed.
- D. Since this online course is asynchronous (no scheduled class meetings), missing class for holidays or illness is not a concern. You may, however, experience illness that prevents you from meeting a submission deadline. In order to receive an extension in this case, contact the instructor before the deadline and, if requested, forward documentation to the instructor from a doctor (or certified healthcare professional) as soon as possible, preferably before the deadline passes. This documentation is required to include a clear statement of WHAT you could not do and WHEN you could not do it (e.g., "Student was bedridden from October 5-7," or "Student will not be able to use right hand for two weeks, October 1-15"). It is not necessary to disclose the reason for your illness. Upon approval of your doctor's note, accommodations within reason will be made to help you complete missed work. Note: It is your responsibility to be aware of assessment deadlines and to pace your weekly progress so that you are able to meet these deadlines. **Please contact the instructor as soon as you anticipate that you might miss a submission deadline for any reason.**
- E. Should problems or difficulties with the course materials arise, please contact the instructor as soon as possible. Suggestions for extra help customized to your specific needs will be provided.
