Course Description

Course Description:

Learners synthesize nursing and interdisciplinary knowledge into nursing care in the context of select acute and chronic illnesses, and the perioperative period, across the lifespan. Learners will integrate foundational knowledge and clinical reasoning skills in order to provide safe, patient-centred, evidence-based, and culturally competent care for persons across the continuum of health and across the lifespan. Learners will focus on some of Canada's most prevalent illnesses, including mental illnesses. Learners examine nursing practice and health care environments using the concepts of patient vulnerability, ethics and informed consent, health promotion, and Indigenous ways of knowing.

Prerequisites:

All of:

- C in BIOL 252
- C in NURS 232
- C in NURS 242
- C in NURS 260
- COM in NURS 280

Or all of:

- C in NURS 243
- COM in NURS 281
- C in PHIL 250

Or all of:

- C in NURS 253
- C in PHIL 250

Course Learning Outcomes / Objectives

Upon completion of the course the student will be able to:

1. Apply the nursing process and clinical reasoning skills to develop plans of care for patients experiencing prevalent acute and chronic illnesses, or surgical procedures
2. Engage in quality improvement in the context of perioperative care, illness management, rehabilitation and supportive care
3. Examine nursing care across the lifespan for prevalent acute and chronic illness
4. Apply pharmacological knowledge related to nursing care of prevalent acute and chronic illnesses
5. Employ the principles of Informed Consent when providing nursing care for patients
6. Enact the Mental Health Act as it pertains to the role of the registered nurse
7. Apply select learning theory, to specific patient conditions, for the promotion of health and wellbeing
8. Consider the concept of patient vulnerability and its implications for nursing practice
9. Provide safe, competent, ethical and culturally competent care to patients from a health promoting perspective
10. Integrate knowledge of colonization, residential schooling, and the history of "Indian hospitals" with Indigenous peoples' sense of vulnerability in the health care setting

11. Integrate the Quality and Safety Education for Nurses (QSEN) competencies in advocating and promoting safe, patient-centred care

The Centre for Accessible Learning (CAL) is part of Camosun's Student Affairs unit. CAL coordinates academic accommodations and provides related programs and services to students with documented disabilities.

Students who require academic accommodations are expected to request and arrange accommodations through CAL in a timely fashion. While we understand that not all accommodation needs are known to students at the beginning of a course, accommodations cannot be provided unless the proper process is followed through CAL and an accommodation letter has been released to the instructor. Students are responsible for providing CAL with the proper documentation prior to the beginning of a course.

Students registered with the Centre for Accessible Learning (CAL) who complete quizzes, tests, and exams with academic accommodations have booking procedures and deadlines with CAL where advanced notice is required.

Deadlines can be reviewed on the CAL exams page

Artificial Intelligence: A Guide for Students

Generative Artificial Intelligence (GenAI) is an evolving technology that brings potential benefits but also substantial risks. While GenAI tools have the ability to transform how we work and learn, it is essential for the college community to adapt to these changes in a thoughtful and secure way.

When using GenAI tools, students should ensure proper citation and attribution guidelines are followed. This includes acknowledging AI assistance in reports, presentations, or any external communications. Clear citation helps build trust, ensures ethical use, and reduces the risk of misinformation or copyright issues.

For citation support visit the college's citation style guide.

Student Responsibility

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

College Policies

Academic Integrity

Students are expected to follow the college's [Academic Integrity policy](#), and be honest and ethical in all aspects of their studies. To help you understand these responsibilities review the online [Academic Integrity guide](#).

The college's [Academic Integrity policy and supporting documents](#) detail the process for addressing and resolving matters of academic misconduct.

Academic Accommodations for Students with Disabilities

If you have a documented disability and need accommodations contact the Centre for Accessible Learning (CAL). CAL will arrange the appropriate academic accommodations so you can participate in all academic activities. Visit the [CAL website](#) for more information

Academic Progress

The [Academic Progress policy](#) details how the college monitors students' academic progress and what steps are taken if a student is at risk of not meeting the college's academic progress standards.

Acceptable Technology Use

The [Acceptable Technology Use](#) policy outlines how students are expected to use college technology resources, this includes using your own devices on the college's network. The use of the college resources in a way that violates a person's right to study in an environment free of discrimination, harassment or sexual violation is prohibited.

Course Withdrawals Policy

For details about course withdrawal see the [Course Withdrawals policy](#). Be aware of the [deadlines for fees, course drop dates, and tuition refunds](#).

Grading Policy

To learn more about grading see the [Grading Policy](#).

Grade Review and Appeals

The process to request a review of grades is outlined in the [Grade Review and Appeals policy](#).

Medical / Compassionate Withdrawals

If you have experienced a serious health or personal issue, you may be eligible for a [medical/compassionate withdrawal](#). The [Medical / Compassionate Withdrawal Request form](#) outlines what is required.

Sexual Violence

If you have experienced sexual violence on or off campus, you can get support from the Office of Student Support. The Office of Student Support is a safe and private place to talk about what supports are available and your options for next steps. Visit the [sexual violence support and education site](#) to learn more or email oss@camosun.ca or phone: 250-370-3046 or 250-370-3841.

Student Misconduct (Non-Academic)

Camosun expects students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Review the [Student Misconduct Policy](#) to understand the college's expectations of conduct.
