EXPLANATION OF EVALUATION CRITERIA

- Seminar Assignments

Seminar assignments are short learning activities given each seminar. **Completing any assigned seminar reading is essential preparation for seminar assignments.** Other preparation or follow-up activities may be required to receive full marks. Further details will be communicated as we go.

Seminar assignments will normally be completed in a small group. Students are expected to actively participate in these learning activities and do their share of the work in order to make the most of them.

To account for unpredictable and/or unavoidable absences, each student is permitted to miss up to one (1) seminar assignment penalty-free. Any further absence(s) will be excused only if they are medically supported or have prior approval. There are no rewrites, deferrals, or extra credits allowed. In order to receive credit for completing a seminar assignment, a student must also attend the lecture the same day.

- Quizzes

Quizzes will be in-class on the days indicated in the course schedule. They can be written on an alternative day or an alternative time only in truly exceptional circumstances, or with a documented accommodation. If truly exceptional circumstances do occur, this should be communicated to me as soon as possible before the quiz.

- **Ethical Decision Making Framework (EDMF) Assignment**

Details regarding this assignment can be found on D2L in the Content area. No assignment will be accepted more than one week after the submission deadline. The penalty for a late assignment is 5% /day, inclusive of weekend days. This penalty may be waived only in truly exceptional circumstances.

- **Final Exam**

The final exam will be an in-person exam during the final exam period. Please avoid making any plans for the final exam period until the college has posted the final exam schedule on February 14th. Final exams can be rescheduled only in truly exceptional circumstances. If such circumstances occur, this should be communicated to me as soon as possible before the exam.

COURSE GUIDELINES & EXPECTATIONS

1. Course Delivery and Attendance

As soon as the course begins, you'll have access to the course website on D2L. Please take the time to familiarize yourself with the website. This is where you'll find any readings not included in the course textbook.

This is an in-person course, meaning it is crucial to your success to regularly attend both lectures and seminars. Please let me know as soon as possible if you must miss any class meeting(s). Further, regular non-attendance (and non-communication) may result in your being deregistered from the course.

2. Academic Integrity

You are welcome and encouraged to discuss course material with others in your class. However, I expect that all work you submit will be your own. Doing your own work, without human or artificial intelligence assistance, is best for your achievement of the learning objectives in this course. In instances when collaborative work is assigned, I expect for the submitted work to list all team members who participated.

I specifically forbid the use of ChatGPT or any other generative artificial intelligence (AI) tools at all stages of the work process, including brainstorming. Deviations from these guidelines will be considered violations of Camosun's Academic Integrity policy. A first-time offence will result in an automatic grade of zero being given on the assignment in question. Multiple infractions may incur graver penalties, up to and including academic probation and/or expulsion.

If you are ever unsure about what constitutes a violation of academic integrity, please ask me, or consult the college's Academic Integrity Policy (available at <http://camosun.ca/about/policies/>).

3. Communication and Office Hours

Email is my preferred method of communication, especially for any official requests. If you ask me a question over email, you can expect a reply within about 1 working day. If you don't hear back from me after that time, please feel free to try again in case your message went astray. When you address me (by email or otherwise), please do so as either Professor (Prof.) Gavin, or Anthony.

I am available for **office hours** on Mondays, from 9:00am-12:00pm. Office hours are held remotely via Zoom, since my physical office (located at the Lansdowne Campus) has proven to be an inconvenient meeting place for many nursing students. In addition to office hours, I am generally available for virtual appointments on Tuesdays and Wednesdays, as well as for impromptu in-person appointments immediately after class. Please email me in advance for all virtual meetings, so that I can send you the Zoom link.

Finally, my pronouns are he/him/his. If you think I am unlikely to know the name you would prefer to be called, or the pronouns that I should use for you through the entry that I will see for you on D2L and your college registration, please don't hesitate to make me aware.

Academic Integrity

Students are expected to comply with all College policy regarding academic integrity; which is about honest and ethical behaviour in your education journey. The following guide is designed to help you understand your responsibilities: <https://camosun.libguides.com/academicintegrity/welcome>

Please visit <https://camosun.ca/sites/default/files/2021-05/e-1.13.pdf> for Camosun's Academic Integrity policy and details for addressing and resolving matters of academic misconduct.

Academic Accommodations for Students with Disabilities

Camosun College is committed to achieving full accessibility for persons with disabilities. Part of this commitment includes arranging appropriate academic accommodations for students with disabilities to ensure they have an equitable opportunity to participate in all of their academic activities. If you are a student with a documented disability and think you may need accommodations, you are strongly encouraged to contact the Centre for Accessible Learning (CAL) and register as early as possible. Please visit the CAL website for more information about the process of registering with CAL, including important deadlines:

Medical / Compassionate Withdrawals

Students who are incapacitated and unable to complete or succeed in their studies by virtue of serious and demonstrated exceptional circumstances may be eligible for a medical/compassionate withdrawal (see [Medical/Compassionate Withdrawals policy](#)). Please visit <https://camosun.ca/services/forms#medical> to learn more about the process involved in a medical/compassionate withdrawal.

Sexual Violence

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun's Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student's right to choose what is right for them. For more information see Camosun's Sexualized Violence Policy: <https://camosun.ca/sites/default/files/2021-05/e-2.9.pdf> and camosun.ca/services/sexual-violence-support-and-education.

Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College's Student Misconduct Policy at <https://camosun.ca/sites/default/files/2021-05/e-2.5.pdf> to understand the College's expectations of academic integrity and student behavioural conduct.
