COURSE GUIDELINES & EXPECTATIONS

Missing Classes

If you miss a class due to illness or some other reason, it is not necessary to notify me. You should find classmates early in the term to coordinate with for catching up, and visit office hours with me as well.

Missed Tests

Make up tests will be permitted only in cases of illness or personal crisis – early notice (i.e., before the test!) will make my accommodations substantially easier and more positive for both of us.

Use of Artificial Intelligence aids

Generally speaking, I don't mind (and may encourage) use of LLM GenAIs (e.g., ChatGPT, Grammarly, Gemini, Siri, Claude) for constructive purposes. We'll discuss more in class, and before major assignments & assessments. Any time you are in any doubt about the permissibility of relying on AI: notify & document your use. This goes a long way to establishing good-faith mistakes, if your usage was in fact not permitted. (Most AIs keep records of sessions; you should know how to access those to show your prof that your use was authentic and not deceptively intended.)

Textbook

The textbook is unfortunately not free; used or rental versions are very acceptable. If you have issues affording your textbook, please contact me so we can find some solution for you. We will be using it, and you will have great difficulty succeeding without good access to the text.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
