## COURSE GUIDELINES & EXPECTATIONS

---

**Instructor's notes about student responsibilities.** I expect students to follow **standards of conduct**:

1. All students are expected to follow the College's Student Conduct Policy
2. Evaluative tasks must be written as scheduled. There will be no make-up opportunities without documentation (medical OR something equivalent). Please inform the instructor **BEFORE** the missed evaluative activity. If granted, **the instructor will determine the alternate exam date and time (or due date)**. Timely communication is important!

**There is NO make-up for missing the in-class activities, assignment or exams except in HIGHLY unusual circumstances and ONLY if arranged prior to the scheduled deadline.** This makes it fair for everyone.

3. Evaluative tasks that are copied (identical or plagiarized) between students will result in 0% for ALL students involved.
4. Work tasks must be used for this course only. If a late evaluative task is allowed, in most cases, the mark will be reduced. Also, there may be additional guidelines pertaining to late or missed tasks.
5. Students may not use recording devices in the classroom without prior permission of the instructor. If approved, recordings made in class are for the student's personal use only and distribution of recorded material is prohibited.

***It is college policy that "If an instructor remains convinced that there has been a violation [such as plagiarism or cheating], he or she may assign a grade of F for the work involved, or for the course."***

### **Instructor's note about your grade**

- A. If you are not satisfied with a grade I have given, you have the right to ask me to regrade the work. Work that I review may receive the same grade, a lower grade, or a higher grade.
- B. I reserve the right to ask you to resubmit work, or to show me extra material related to it.
- C. I will NOT be offering extra assignments or exams (beyond what is listed on pages 2-3) to improve your final grade.
