COURSE GUIDELINES & EXPECTATIONS

Please note: In order to satisfy the Learning Outcomes for the course, all assignments and presentations must be completed to receive a final grade.

The intention of this course is to help prepare students for their career in sport management. As a result, it is expected that assignments reflect the quality expected in a workplace environment (spelling/grammar, appropriate content). Assignments that excessively deviate from what would be considered a professional standard or contain content which may not be considered appropriate for the workplace may not be graded or returned for re-submission.

Attendance: Students are expected to attend all classes, be active participants and contribute to a positive learning environment. Students are responsible for getting their own notes from class as well as information pertaining to changes in the course outline, readings, assignments, and information pertaining to any tests or exams.

Assignments: Late assignments will receive a deduction of 20% per day. Students unable to submit an assignment due to extenuating circumstances must contact the instructor in writing a minimum 24 hours prior to the deadline (exceptions will be considered on a case by case basis).

Exams: Exams must be written on the date scheduled. If a student is unable to write an exam through no fault of their own for medical or other reasons, valid documentation must be provided and discussed with the instructor. A student who is absent, and has not made arrangements with the instructor in advance, will receive a zero. Final Exams may be scheduled at any time during the final exam block; therefore, students should avoid making travel plans, professional or personal commitments for the duration of the exam period.

Communication: Students are encouraged to contact the instructor by email with any questions or concerns regarding assignments or class content. Every attempt to respond within 24 hours will be made.
