Description of Program: This is a program with ESL support for students in the Health Care Assistant Program within the Continuing Care Department of Camosun College. In the ESL class, students will study new vocabulary, read and discuss the text and learning guides in preparation for classes given by HCA instructors, review for quizzes, and practise English skills. There will be a special emphasis on speaking and communication skills throughout the program. The intended outcome is that these ESL students will receive the Camosun Health Care Assistant Certificate.

The following HCA learning guides and text are required. They are available at the Camosun bookstore:

- HCA 110 - Concepts for Practice
 - HCA 120 - Introduction to Practice
 - HCA 130 - Interpersonal Communications
 - HCA 130 and PNUR 142 - On Delivering Care
 - HCA 140 - Lifestyle and Choices
 - HCA 150 - Healing 1
 - HCA 154 - Healing 2
 - HCA 161 - Personal Care Skills 1
 - HCA 162 - Personal Care Skills 2
 - HCA 172 - Clinical Placement 2
 - HCA 171/173 - Clinical Placements 1 & 3
- Text: Mosby's Canadian Textbook for the Support Worker

Evaluation: Each HCA course will be evaluated according to the procedure described in the HCA Student Learning Guides. There will be quizzes, skill checks, case studies, presentations, and practicum checklists.

In addition, there will be ongoing classroom assessment of English tasks that have been successfully accomplished, demonstrating language competencies in listening/speaking, reading, and writing, according to the ESL Learning Outcomes for this course.

HCA ESL LEARNING OUTCOMES

Upon successful completion of the ESL portion of the ESLHCA Combined Skills program, the learner will be able to use the English language to:

- 1. Communicate effectively with individuals or groups within community and institutional health care settings.**
- 2. Demonstrate understanding of key information and instructions within community and health care settings.**
- 3. Read and comprehend information relevant to the HCA role.**
- 4. Convey information in writing in a clear, coherent manner.**
- 5. Demonstrate an understanding of Canadian culture as related to HCA work requirements.**
