Evaluation

Student performance will be assessed on performance based on individual food and customer service skills. Students will be measured on the basis of individual performance and their work as part of a team. Work will be assessed in the classroom food lab as well as the Mixt Greens Juice Bar and on-campus, weekly pizza days. The evaluation will assess the student’s readiness for employment in a particular job and identify what improvements, if any, must be made to be employed in that type of work.
