7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

Math Lab: Ewing 342 plus Ewing 224

This is a drop-in centre where you can work on your math homework by yourself or with your classmates and get free help from a tutor. Math lab hours will be posted on the math lab door and on my website.

Prerequisites:

Prerequisite for Math 073: B- (70%) in Math 062/072 or a C in Math 11 or assessment Prerequisite for Math 115 (Math 12): Recent B+(80%) in Math 063/073. Aim for at least 85% on your tests in Math 073 to allow for some slippage on the final exam.

1. Standard Grading System (GPA)

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at http://camosun.ca/about/policies/education-academic/e-1-programming-&-instruction/e-1.5.pdf for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete</i> : A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress</i> : A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal</i> : A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

AN "IP" WILL BE GIVEN FOR INCOMPLETE WORK PROVIDING: THERE IS A 75% COMPLETION OF MATERIAL OR 75% ATTENDANCE OTHERWISE THER MAY BE AN "F"
