The first step to success is **managing your time** so that you complete readings and assignments on time (see table above for list of assignments).

Take note of the following:

1. Regular attendance is essential to success in this course. Students are expected to attend all classes. If you are unable to attend a class, please let the instructor know by voice or e-mail or by having another student relay the message. In any case, students are responsible for material covered during missed days.
2. **All major (10 % or more) assignments are mandatory. Students cannot complete the course unless all these assignments are submitted.** All late assignments will be downgraded (5% per day) except in cases of documented illness.
3. **All out-of-class assignments must be typed (double-spaced,** using a standard Font such as Times New Roman, 12 point type with four one-inch margins). All assignments completed outside of class should include the student's name, the title of the assignment, the name of the course, the instructor's name, and the date.
4. Students are expected to actively participate in class activities such as discussions and peer evaluations.

5. **Be sure to keep a photocopy or a digital copy of all the assignments** you submit in case your work is lost, damaged or misplaced.
