It is each student's responsibility to attend the first class meeting of each course. If a student does not attend and does not contact the instructor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied.

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid, and may receive an "F" grade.

If you cannot come the day of a test, please phone or email the instructor
before the beginning of the class.
Makeup tests will only be considered with a valid excuse and with sufficient notification.

During the term, if a student misses one week of class(es) without official documentation, s/he will first meet with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:

- counselling
- attend the Help Centre
- program changes
- withdrawal
- discussion with an academic or an International Student Advisor (where appropriate)

At the end of term, if a student has missed 50% of classes after having received departmental support, a letter will be sent to the student's local and permanent address regarding his or her absence in the course. A student with an attendance problem may not be allowed to register for the following term.

In emergency circumstances, a student may write a test or final examination before or after the scheduled time if the student would otherwise be unable to complete the program or course. Exceptions due to emergency circumstances, such as unavoidable employment commitments, health problems, or unavoidable family crises, require the approval of the appropriate instructor. Holidays or scheduled flights are not considered to be emergencies. The student may be required to provide verification of the emergency circumstance.

Students in any level who are receiving funding for their courses are expected to attend classes regularly. If the student is unable to attend classes, s/he is expected to contact his/her instructor(s) or an ELD instructional assistant. Alternatively, official documentation is expected.

ACADEMIC PROGRESS POLICY

Progress

If a full-time student in 032 (20 hours per week) does not progress in the first attempt of a level, s/he will talk with the instructor to find ways for the student to succeed. This may include counselling, getting help from the Help Centre, a different program or institution.

If the full-time student does not progress in the second attempt at the same level, s/he may be put on probation for the following term.

*Part-time students (10 hours per week) may require two or more semesters to complete a level.

There is an Academic Progress Policy designed to enhance a learner's likelihood of success. Students should become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy Section.
