- Locate and use information in educational software or on the Internet; and
- Locate and access information through tables of content, indexes or glossaries.

Writing

- Copy short texts (e.g., from dictionaries, encyclopedias, etc.) to record information for personal use, to complete tasks, to learn information;
- Convey simple business messages as written notes. Can take slow, simple dictation with frequent repetitions;
- Write a short text on a personal or familiar situation or event, a personal experience or future plan;
- Write a short formal letter or email inviting or responding to an invitation;
- Fill out authentic forms (accident report, application for telephone service); and

It is each student's responsibility to attend the first class meeting of each course. If a student does not attend and does not contact the instructor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied.

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid, and may receive an "F" grade.

If you cannot come the day of a test, please phone or email the instructor before the beginning of the class. Makeup tests will only be considered with a valid excuse and with sufficient notification.

During the term, if a student misses one week of class(es) without official documentation, s/he will first meet with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:

- counselling
- attend the Help Centre
- program changes
- withdrawal
- discussion with an academic or an International Student Advisor (where appropriate)

At the end of term, if a student has missed 50% of classes after having received departmental support, a letter will be sent to the student's local and permanent address regarding his or her absence in the course. A student with an attendance problem may not be allowed to register for the following term.

In emergency circumstances, a student may write a test or final examination before or after the scheduled time if the student would otherwise be unable to complete the program or course. Exceptions due to emergency circumstances, such as unavoidable employment commitments, health problems, or unavoidable family crises, require the approval of the appropriate instructor. Holidays or scheduled flights are not considered to be emergencies. The student may be required to provide verification of the emergency circumstance.

Students in any level who are receiving funding for their courses are expected to attend classes regularly. If the student is unable to attend classes, s/he is expected to contact his/her instructor(s) or an ELD instructional assistant. Alternatively, official documentation is expected.

GRADING POLICY:

To complete **042** a student must get a mark of **S** (satisfactory) (75%) on the Learning Outcomes in each skill area (reading and writing listed on Page 1 above). At the end of the term, the student will receive a grade based on the Competency Grading System below.

Competency Based Grading System

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes.

Grade	Description
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.

ACADEMIC PROGRESS POLICY

Progress

If a student does not progress in the first attempt of a level, s/he will talk with the instructor to find ways for the student to succeed. This may include counselling, getting help from the Help Centre, a different program or institution.

If the student does not progress in the second attempt at the same level, s/he may be put on probation for the following term.

There is an Academic Progress Policy designed to enhance a learner's likelihood of success. Students should become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy Section.
