5. Basis of Student Assessment (Weighting)

(a) Assignments 10%

Dates TBA

There are 5 assignments which are based on questions from your textbook. The assignment questions are listed in the Recommended HW and Assignments document. Assignments are due on the designated days (see pacing schedule) and assignment keys will be posted on the website shortly afterwards.

Late assignments will NOT be accepted.

All assignments count.

(b) TESTS 40%

Dates TBA

There are 5 in class tests.

If you must miss one test due to illness or family affliction contact me via e-mail **before** the test to make alternate arrangements.

If you don't provide a reason for a missed test you may get a zero on that test.

All tests count.

2. Competency Based Grading System (Non GPA)

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes

Grade	Description
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://www.camosun.bc.ca/policies/E-1.5.pdf> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
