Students can expect to progress from Canadian Language Benchmark 5 to 6. By the end of this course, students will be working at Canadian Language Benchmark 6.

Listening

- Respond to moderately complex formal and informal communication of moderate length on common topics, spoken at a slow to normal rate in moderately demanding contexts.
1. Understand common and predictable social exchanges containing openings and closings, making and cancelling of appointments, apologies, invitations and compliments.
 2. Understand moderately complex instructions and directions.
 3. Understand moderately complex communication intended to influence or persuade (advice, opinions or suggestions).
 4. Understand the main ideas, facts, opinions and implied meanings in descriptive or narrative monologues or presentations.

Speaking

- Orally communicate, in short, common social situations.
 - Produce concrete information related to needs and familiar topics of personal importance in informal to somewhat formal moderately demanding contexts.
1. Open and close conversations, make small talk, make, accept and decline invitations, apologize, and interrupt.
 2. Participate in short phone calls (open, greet, provide information, ask for clarification or confirmation and close).
 3. Give instructions and directions for everyday activities and processes.
 4. Give and respond to requests, permission, suggestions and advice.
 5. Ask for and give information to-express agreement, disagreement and opinions in small group discussions.
 6. Give information in past, present or future to describe events.

To complete 054, students must get a mark of S (Satisfactory) on the outcomes in each skill area (listening and speaking). There will also be in-class quizzes and the results will be considered in the overall assessment.

It is each student's responsibility to attend the first class meeting of each course. If a student does not attend the first class and does not contact the instructor, an ELD instructional assistant or an international education advisor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied. <http://camosun.ca/learn/calendar/current/procedures.html#admissions>

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid and may receive an NC grade.

**If you cannot come the day of a test, you MUST phone or email the instructor
BEFORE the beginning of the class.**

Makeup tests will ONLY be considered with a valid excuse and sufficient notification.

During the term, if a student misses one week of class(es) without official documentation, s/he will first meet with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:

- getting help from the Help Centre
- counselling
- program changes
- withdrawal
- discussion with an Academic or an International Student Advisor (where appropriate)

At the end of term, if a student has missed 50% of class after having received departmental support, a letter will be sent to the student's local and permanent address regarding his or her absence in the course. A student with an attendance problem may not be allowed to register for the following term.

Students in any level are expected to attend classes regularly. If the student is unable to attend classes, s/he is expected to contact his/her instructor(s) or an ELD instructional assistant. Alternatively, official documentation is expected if classes are missed.

FINAL EXAMS

Students cannot write their final exams early. Students need to remain in Victoria, attending Camosun until April 18, 2018. Please book your flight to leave after this date.

ACADEMIC PROGRESS GUIDELINES

Progress

If a full-time student (20 hours per week) does not progress in the first attempt of the level, the instructor will speak to the student about ways to succeed. If the full-time student does not progress in the second attempt of a level, the Chair will meet with the student. If the student does not progress in the third attempt at the same level, the Dean will meet with the student.

These Academic Progress Guidelines are designed to enhance a learner's likelihood of success. Students should become familiar with the content of these Guidelines. The Guidelines are available in each School Administration Office.
