## **Attendance**

Attendance is very important. If you attend regularly and work consistently at your English, you will make progress. Regular attendance is essential in order to do well in this course.

**Plagiarism:** This is Camosun's definition of plagiarism:

*Representing the work of others as your own is plagiarism. Quote and cite sources in a way that gives proper credit and avoids plagiarism. When in doubt about how to acknowledge a source, consult your instructor. Plagiarism includes, but is not limited to, the following:*

1. Submitting an entire assignment (e.g., paragraph, essay, report, lab report, technical drawing, exam, etc.) written by someone else. This is plagiarism even if you make revisions to the original work.
2. Submitting an assignment in which you have copied or cut and pasted one or more passages from one or more other works or an internet site without enclosing those passages in quotation marks *and* providing clear, correct citations for those passages.
3. Submitting an assignment in which you take one or more ideas from another work(s) without citing them, even when you reword or put those ideas in your own words (that is, paraphrasing them). You *must* provide clear, correct citations for theories, arguments, facts, stories, or other information that you did not come up with on your own.
4. Submitting an assignment that an editor or tutor, whether amateur or professional, has partially or entirely rewritten for you. A tutor is not a copy editor. A tutor's role is to explain general principles of writing, grammar, syntax, punctuation, and spelling.
5. Submitting a group project which contains plagiarism. It is the responsibility of all members of the group to monitor the progress of the work to ensure that plagiarism does not occur.

## **Electronics**

Students may not use recording devices in the classroom without the prior permission of the instructor. However, the instructor's permission is not required when the use of a recording device is sanctioned by the College's Resource Centre for Students with Disabilities in order to accommodate a student's disability and when the instructor has been provided with an instructor notification letter which specifies the use of a recording device. Recordings made in the classroom are for the student's personal use only, and distribution of recorded material is prohibited.

No electronic devices (electronic dictionaries, cell phones, etc.) can be used during tests and some in-class assignments (at the discretion of the instructor).

**All the best in ELD 094! I look forward to working with you this term!**
