If a full-time student (20 hours + 5 hours of lab per week) does not progress in the first attempt of a level, s/he will talk with the instructor to find ways for the student to succeed. This may include counselling, getting help from the learning skills centre, a different program or institution.

If the full-time student does not progress in the second attempt at the same level, s/he will meet with the programme chair.

Attendance

Students are expected to attend class every day, participate in class discussions and group activities, complete assignments, and do homework.

It is each student's responsibility to attend the first class meeting of each course. If a student does not attend the first class and does not contact the instructor, an ELDD instructional assistant or an

international education advisor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied.

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid and may receive an IP grade.

During the term, if a student misses one week of class without official documentation, s/he will meet first with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:
