

# Welcome to Camosun College!

Camosun College campuses are located on the traditional territories of the WSÁNEĆ and Lkwungen peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here.

# School of Access - Academic and Career Foundations Department MATH 039 Basic Math for Healthcare COURSE OUTLINE

The Approved Course Description is available on the College website http://camosun.ca/learn/calendar/current/web/math.html

### 1. Instructor Information

**Instructor:** Pam Johnson **Phone**: 370-3850

Office: CBA 148 e-mail: johnsonp@camosun.bc.ca

# 2. Intended Learning Outcomes

At the end of the course, students will be able to:

- 1. Demonstrate knowledge and skills in using the principles and operations of various math topics such as arithmetic, measurement, graphs, formulas, and geometry
- 2. Apply a variety of strategies in solving math-related problems
- 3. Apply knowledge and skills in various math topics to solve problems related to Health Care
- 4. Use knowledge of various math topics as a basis for further study.

# 3. Required Materials

- (a) Textbook: Math Basics for the Healthcare Professional, 4th Ed, by Michele Benjamin-Lesmeister
- (b) calculator (scientific calculator recommended: Sharp EL531W used for MATH 053)

### Suggested Supplementary Resources (optional/if needed)

Math videos:

- "Math Antics" <a href="https://www.youtube.com/user/mathantics">https://www.youtube.com/user/mathantics</a>: excellent explanation of basic math concepts and skills
- (ii) Other selected open source math videos: <a href="https://sites.camosun.ca/acf-math/math-039/">https://sites.camosun.ca/acf-math/math-039/</a>
- (iii) website www.mymathlab.com (online text, tutorials, videos, and testing)

# 4. Course Content and Schedule

### Self-paced Instructions

The course completion time will vary for each student, depending on a number of factors, including your current level of math skills, motivation, learning rate, and how much time you have to study math, either at the college or at home.

For each unit of your Math 039 text listed in the table below,

- a. Skip the Pre-Test at the beginning of the text, as well as at the beginning of each Unit/Chapter
- b. Read the **Student Learning Outcomes**, the **Overview**, and **Review** sections for each math topic and study the **Examples**
- c. Do the odd numbered questions only (#1, 3, 5, etc.) in each of the Practices
- d. <u>Check</u> your answers in the back of the book (**Appendix C**); you can also record them in the "Score" column of your Course Outline below, if you wish

January 2019 MATH 039 Course Outline Page 1

- e. (Optional) For additional review, if needed, do:
  - o post-tests and a pre-tests (answers at the back of the book)
  - o a unit review at the end of the chapter
  - o practice tests for all 13 units (Appendix B)
- f. Ask for each Module Test when ready

<u>Help Centres</u>: Please also note that your course includes 4 additional hours of lab time over and above the 6 hours per week class time. Please feel free to utilize the Help Centres for extra help with your course, as this is their purpose.

FINAL	Final Exam					

## 5. Basis of Student Assessment

- (a) **Tests** 75% of the course grade is based on the average of **all** test scores for modules 1–4 (including both passing and failing test scores)
- (b) **Exams** 25% of the course grade is based on the average of **all** final exam scores (including both passing and failing exam scores)

**Note:** Students with a record of poor attendance OR poor progress may be restricted from re-registering in Academic and Career Foundations Department courses.

# **6. Grading System –** Standard Grading System <a href="http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf">http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf</a>

A+	90-100%	B+	77–79%	C+	65–69%
Α	85-89%	В	73–76%	С	60-64%
A-	80-84%	B-	70–72%	IΡ	in progress

### **Temporary Grades**

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <a href="http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf">http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.5.pdf</a>

for information on conversion to final grades, and for additional information on student record and transcript notations.

# 7. Learning Support and Services for Students

### **ACADEMIC UPGRADING HELP CENTRE (CBA 109 or Ewing 342)**

<a href="http://camosun.ca/services/help-centres/math.html">http://camosun.ca/services/help-centres/math.html</a>
 Help with coursework, reference & learning materials library, computers & printer, quiet testing & study areas

# 8. College Supports, Services and Policies

### Immediate, Urgent, or Emergency Support

If you or someone you know requires immediate, urgent, or emergency support (e.g. illness, injury, thoughts of suicide, sexual assault, etc.), **SEEK HELP**. Resource contacts @ <a href="http://camosun.ca/about/mental-health/emergency.html">http://camosun.ca/about/mental-health/emergency.html</a> or <a href="http://camosun.ca/services/sexual-violence/">http://camosun.ca/services/sexual-violence/</a>

### **College Services**

Camosun offers a variety of health and academic support services, including counselling, dental, disability resource centre, help centre, learning skills, sexual violence support & education, library, and writing centre. For more information on each of these services, visit the **STUDENT SERVICES** link on the College website at <a href="http://camosun.ca/services/">http://camosun.ca/services/</a>

#### College Policies

Camosun strives to provide clear, transparent, and easily accessible policies that exemplify the college's commitment to life-changing learning. It is the student's responsibility to become familiar with the content of College policies. Policies are available on the College website at <a href="http://camosun.ca/about/policies/">http://camosun.ca/about/policies/</a>. Education and academic policies include, but are not limited to, Academic Progress, Admission, Course Withdrawals, Standards for Awarding Credentials, Involuntary Health and Safety Leave of Absence, Prior Learning Assessment, Medical/Compassionate Withdrawal, Sexual Violence and Misconduct, Student Ancillary Fees, Student Appeals, Student Conduct, and Student Penalties and Fines.
