## 4. 064 Intended Learning Outcomes

In this integrated skills course, non-native speakers are introduced to intermediate listening and speaking skills using an expanded range of vocabulary in partly familiar, moderately demanding, occasionally supported contexts. Students can expect to progress from Canadian Language Benchmark 6 to 7. By the end of this course, students will be working at Canadian Language Benchmark 7. Students who complete this course and ELD 062 will be prepared for Advanced ELD courses and selected courses at the college level.

### Listening

- Respond to moderately complex formal and informal communication of moderate length including some abstract concepts and ideas related to life experience, spoken at a slow to normal rate in moderately demanding contexts.
  1. Understand common and predictable social exchanges containing openings, closings, apologies, complaints, regrets, satisfaction, dissatisfaction, hopes and wishes.
  2. Understand moderately complex communication intended to influence or persuade (advice, opinions, suggestions, encouragement and requests).
  3. Understand short group interactions and discussions on familiar topics.
  4. Understand the main ideas, supporting details, facts and opinions, and implied meanings in descriptive or narrative monologues or presentations.
  5. Understand pre-recorded phone messages.

### Speaking

- Orally communicate in common social situations.
- Produce concrete and some abstract information in some detail related to familiar topics in informal to somewhat formal moderately demanding contexts.
  1. Participate in routine social conversations for some everyday purposes.
  2. Open and close conversations, apologize, complain, show regret, satisfaction and dissatisfaction, and express hopes and wishes.
  3. Participate in routine phone calls (open, greet, provide information, ask for clarification or confirmation and close).
  4. Give and respond to suggestions, recommendations, advice and warnings.
  5. Ask for and give detailed information to express a range of feelings, problems, opinions, obligation, suggestions and advice in one-on-one and in small group discussions.
  6. Give detailed presentations.

To complete 064, students must get a mark of S (Satisfactory) on the outcomes in each skill area (reading and writing). There will also be in-class quizzes and the results will be considered in the overall assessment.

## 5. Assessment

In this course there will be listening tests and speaking tasks including presentations, small-group discussions and role plays. Additionally, students must complete online homework assignments and tests.

To complete ELD 064 a student must get a mark of at least 75% (or S=satisfactory) on the learning outcomes in each skill area (listening and speaking). At the end of the term, the student will receive a grade based on the Competency Grading System described in section 6.

## 6. Grading System

### **Competency Based Grading System**

*This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes.*

Grade	Description
COM	<i>The student has met the goals, criteria, or competencies established for this course, practicum or field placement.</i>
NC	<i>The student has not met the goals, criteria, or competencies established for this course, practicum or field placement.</i>

### **ACADEMIC PROGRESS Requirements**

#### **Progress**

*If a full-time student (20 hours + 5 hours of lab per week) does not progress in the first attempt of a level, s/he will talk with the instructor to find ways for the student to succeed. This may include counselling, getting help from the learning skills centre, a different program or institution.*

*If the full-time student does not progress in the second attempt at the same level, s/he will meet with the programme chair.*

## 7. Expectations to assist with student success

Students are responsible for

- attending classes regularly (see "Attendance" below)
- speaking English in class
- participating in discussions and group activities
- doing assigned homework and in-class work
- contributing to a positive learning environment
- turning off cell phones
- going to the Help Centre for extra help.

All students are strongly encouraged to use the Help Centre.

### **Attendance**

Students are expected to attend class every day, participate in class discussions and group activities, complete assignments, and homework.

**If you cannot come the day of a test because you are sick, you MUST phone or email the instructor (Lynnea) before the class starts.**

**Makeup tests will only be considered with a valid excuse and with sufficient notification.**

It is each student's responsibility to attend the first class meeting of each course. If a student does not attend the first class and does not contact the instructor, an ELD instructional assistant or an international education advisor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied.

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid and may receive an IP grade.

During the term, if a student misses one week of class without official documentation, s/he will meet first with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:

- attend Help Centre
- counselling
- program changes
- withdrawal
- discussion with an academic or an International Student Advisor (where appropriate)

At the end of term, if a student has missed 50% of class after having received departmental support, a letter will be sent to the student's local and permanent address regarding his or her absence in the course. A student with an attendance problem may not be allowed to register for the following term.

Students in any level who are receiving funding for their courses are expected to attend classes regularly. If the student is unable to attend classes, s/he is expected to contact his/her instructor(s) or an ELD instructional assistant. Alternatively, official documentation is expected.
