Students who complete this course and ELD 064 will be prepared for Advanced ELD courses and selected courses at the college level.

5. Assessment

In this course there will be Reading and writing tests including internet research activities. Additionally, students must complete homework assignments.

To complete ELD 062 a student must get a mark of 75% (or S=satisfactory) on the learning outcomes in each skill area (reading and writing). At the end of the term, the student will receive a grade based on the Competency Grading System described in section 6.

You cannot write your final exams early. Students need to remain in Victoria, attending Camosun until August 14, 2020.

6. Grading System

Competency Based Grading System

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes.

Grade	Description
COM	<i>The student has met the goals, criteria, or competencies established for this course, practicum or field placement.</i>
NC	<i>The student has not met the goals, criteria, or competencies established for this course, practicum or field placement.</i>

ACADEMIC PROGRESS Requirements

Progress

If a full-time student (20 hours + 5 hours of lab per week) does not progress in the first attempt of a level, s/he will talk with the instructor to find ways for the student to succeed. This may include counselling, getting help from the learning skills centre, a different program or institution.

If the full-time student does not progress in the second attempt at the same level, s/he will meet with the programme chair.

7. Expectations to assist with student success

Students are responsible for

- attending classes regularly (see "Attendance" below)
- speaking English in class
- participating in discussions and group activities
- doing assigned homework and in-class work
- contributing to a positive learning environment
- turning off cell phones
- going to the Help Centre for extra help

All students are strongly encouraged to use the Help Centre.

Attendance

Students are expected to attend class every day, participate in class discussions and group activities, complete assignments, and homework.

If you are absent or cannot come the day of a test because you are sick, you MUST phone or email the instructor (Beth) before the class starts.

Makeup tests will only be considered with a valid excuse and with sufficient notification.

It is each student's responsibility to attend the first class meeting of each course. If a student does not attend the first class and does not contact the instructor, an ELDD instructional assistant or an international education advisor within two working days following the first class with a satisfactory explanation, admittance to the course may be denied.

If a student does not attend classes and does not officially withdraw (via Camlink or Student Services) prior to fee deadlines, he or she will be required to pay all outstanding fees, will receive no further service until the fees are paid and may receive an IP grade.

During the term, if a student misses one week of class without official documentation, s/he will meet first with the instructor to resolve the problem. If no resolution can be made, then the student will meet with the Chair of the department who may recommend the following:

- attend Help Centre
- counselling
- program changes
- withdrawal
- discussion with an academic or an International Student Advisor (where appropriate)

At the end of term, if a student has missed 50% of class after having received departmental support, a letter will be sent to the student's local and permanent address regarding his or her absence in the course. A student with an attendance problem may not be allowed to register for the following term.

Students in any level who are receiving funding for their courses are expected to attend classes regularly. If the student is unable to attend classes, s/he is expected to contact his/her instructor(s) or an ELD instructional assistant. Alternatively, official documentation is expected.
