#### 4. Course Content and Schedule

##### Course Description:

This self-paced 072 course is designed for non-native speakers of English who have a degree and/or work experience from their own country. It is suitable for learners who prefer to study individually and at their own pace rather than attend a regular class. The course focuses on developing reading and writing strategies for academic study. The course introduces ten strategies for developing reading skills. It also provides instruction and practice in grammar and skills learners need to write accurate and fluent essays.

##### Classroom Hours:

**Because this class is self-paced, students can work wherever they feel comfortable:** from home, the library, the help centres, which will depend on what is open during Covid Closures.

According to government recommendations, Camosun College campus will not be open at the beginning of the Spring/Summer term in May 2020. This may change during the summer, but this course will continue to be offered in an online format for the whole term.

Therefore, both regular and “drop in” appointments can be scheduled with the instructor.

Mondays, 4:00-5:30 pm

Blackboard Collaborate (via D2L) “open”

Tuesdays to Thursdays, by appointment (scheduled bi-weekly and drop-in)

*Note: The English Help Center will also be offering online support over the summer.*

##### Computer experience required for this course:

In this course, we make extensive use of email and email attachments. The following is a list of skills that you should be comfortable with to be successful in this course:

- Basic keyboard and mouse proficiency
- Word-processing (typing, cutting, copying and pasting)
- Working with files (opening, saving and “saving as”)
- E-mail (sending, receiving, replying, forwarding and attaching files)
- Internet/WWW (navigating the internet and understanding how it works)
- Using online video conferencing software to meet with your instructor

##### How to Complete the Course:

To successfully complete the ELD 072 course, you must reach an adequate level of competency (60%) in BOTH writing (writing and grammar tasks) and reading (reading and summary tasks). This means you must achieve a grade of C or 60 % in each of the skills (writing and reading) to pass this course.

## Academic Honesty:

All assignments must be written entirely by you. Plagiarism, i.e. copying the work of a classmate, Internet resources or copyrighted materials, is considered dishonest use of another's ideas.

**Plagiarized work will result in a zero grade for the assignment.** In extreme cases, plagiarism will result in a failing grade for the course. This policy is in accordance with the Camosun College Calendar – Student Conduct section.

## 5. Basis of Student Assessment

### Assignments:

Most assignments you do at home and send to your instructor via D2L/Assignments. You must do all reading tests in a controlled online class setting, including the final essay assignment. It is your responsibility to complete all assignments on time. If for some valid reason you have difficulty meeting the suggested deadlines, you must discuss this with your instructor before the due date.

Please note that if you do not complete the course and wish to carry your assignment marks forward to a new term, you must enroll in the next consecutive term.

### Assessment & Evaluation:

Reading	Writing
Four reading tests – 75%	Compare/contrast paragraph(s) – 20%
Two summaries – 15%	Five paragraph essay – 20%
Online practice – 10%	Cause and effect essay – 20%
	Research essay – 20%
	Two grammar tests – 20%

*Note: You must pass (at least 60%) both writing AND reading to pass the course.*
