

Camosun College campuses are located on the traditional territories of the Lkwungen and WSÁNEĆ peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here

"We need mystery," she said. "Creator in her wisdom knew this. Mystery fills us with awe and wonder. They are the foundations of humility, and humility, grandson, is the foundation of all learning. So we do not seek to unravel this. We honour it by letting it be that way forever"

All our classes are **Self Paced**: Students complete the course outcomes at a pace that best suits their lifestyle. This means:

1. We will start the class with a group lesson that will help students reach the course outcomes.
2. Students are working at different parts of many different courses, all at the same time,
3. Instructors will connect with students often and see how they are doing. Also, students ask for help when they need it. Students use the Help Centre to support their learning.
4. Students have the responsibility to attend class every day, work hard, and ask for support when needed.
