Description

Students in this course will construct a learning plan to explore and develop their employment skills in a specific sector of employment. Students will practice teamwork, effective communication, maintaining a growth mindset, accountability, workplace safety, task completion, and customer service. Students will follow their interests to explore different types of work and sector-specific related skills.

Learning Outcomes

Upon successful completion of this course a student will be able to:

- work safely and effectively in entry level work settings
- effectively serve customers in a variety of settings
- meet common workplace expectations for entry level employment
- assess personal compatibility with different types of work
- interact with customers, peers, teachers, and supervisors in a professional manner
- use feedback to initiate strategies that enhance employability in entry level work
- use information technology to research and communicate about learning and employment goals
- use available resources to initiate a job search

Delivery

This course is being offered through both on-line and in-person components. During the COVID-19 pandemic risks associated with face to face contact are changing and uncertain. Therefore, students will be able to complete this course completely through distance learning. Many of the skills in this course are best practiced face to face; so, face to face learning opportunities will be offered when risk levels are low. These will be optional.

Online instruction will be both synchronous (at the same time) and asynchronous (whenever you want). There will be times when you will need to connect with students and instructors through video chat. Please be available during the times listed below.

Competency Based Grading System

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes

GRADE	DESCRIPTION
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://www.camosun.bc.ca/policies/E-1.5.pdf> for information on conversion to final grades, and for additional information on student record and transcript notations.

TEMPORARY GRADE	DESCRIPTION
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
