COURSE GUIDELINES & EXPECTATIONS

How to Benefit from ELD 075

There are two approaches to mastering the grammar of English or any other language. The first approach is to understand the grammar and grammatical rules of the language; the second approach is to apply those rules to your use of the language and to learn to recognize errors and error patterns. Consequently, students in this course will do two things: They will study the rules of English grammar and also apply those rules to their own writing. However, research into student writing demonstrates that the second approach is the more important of the two approaches, so we will focus most of our energy on error detection and correction.

Experience has shown us that your success in this course depends primarily on the effort you make. If you do all the assignments, attend all or most of the classes, and actively participate in class activities, it is very likely that you will do well in this course. Moreover, you will not only gain a lot of personal satisfaction and enjoyment from your accomplishment, but also develop much greater confidence in your ability to write grammatically correct English compositions.

SCHOOL OR DEPARTMENTAL INFORMATION

1. To successfully fulfill the requirements of the course and receive a passing grade (60%), all tests and assignments must be completed.
2. Attendance is vitally important for successful completion of this course. If you cannot attend a class because of illness or for some other valid reason, please contact the teacher or have another student relay the message. Note: Do not plan on taking a vacation during the semester! Exams missed as a result of a vacation cannot be made up.
3. All assignments must be completed entirely by the student(s). Work that is copied or pasted in from another source, done in whole or in part by another person, or fixed and edited by another

person is plagiarism – the theft of another person’s ideas. **Plagiarized work will result in a zero grade for the assignment.** In extreme cases, plagiarism will result in a failing grade for the course

4. As a courtesy to everyone in the class, all cell phones must be TURNED OFF while the class is in session.

5. Students may not use recording devices in the classroom without the prior permission of the instructor. However, the instructor’s permission is not required when the use of a recording device is sanctioned by the College’s Resource Centre for Students with Disabilities in order to accommodate a student’s disability and when the instructor has been provided with an instructor notification letter which specifies the use of a recording device. Recordings made in the classroom are for the student’s personal use only, and distribution of recorded material is prohibited.

6. No electronic devices (electronic dictionaries, cell phones, etc.) can be used during tests and most in-class assignments (at the discretion of the instructor).

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
