Tips for Success in ELD 094:

Tip 1: Get in the habit of reading every day. During the course, you will read, understand and analyze a variety of articles and essays. Establishing good critical reading habits is a key to success in the course and a key to effective writing.

Tip 2: Always read the material in advance of the discussion date.

Tip 3: Get in the habit of writing regularly. IN ELD 094, you will have a great deal of writing practice and writing assignments. Writing regularly will help with your writing in general. By writing regularly, you will be able to address the necessary writing skills in ELD 094 that will also help you in future courses.

Tip 4: Attend class and participate in group and class discussions. Discussing your ideas about a topic or your interpretation with others in a group can lead to new and valuable insights about a topic. Students learn from each other in ELD 094.

Tip 5: Attend regularly. Attendance is very important, and this also applies to online learning. If you attend regularly and work consistently at your English, you will make progress. Regular attendance is essential in order to do well in this course.

Tip 6: Learn to ask questions, think critically and develop and express ideas, both in your writing and in your discussions in class.

Tip 7: Pay attention to the Weekly Schedule and Important Dates.

Tip 8: Never plagiarize in your writing! Stay far away from ‘free-essay.com websites.’ Don’t trust translation programs (e.g. Google Translate); there are always many mistakes in these programs, so they will not help your writing. Learn how to be an independent writer and thinker.

Tip 9: Write all the tests and do all the assignments! Please note that you must write all the tests on the specified date and hand in assignments on the due date. If you do not write a test, then your mark will be zero for the test, and it will affect your final grade. If you hand in an assignment late, it will affect the grade.

Tip 10: Speak to your instructor if you need help. If you are having any difficulties with the course or have some issues that interfere with your progress, let me know, so I can help you with the course. Remember that as your instructor, I am here to help with your learning.
